GARGOYLES DEMONA #2 CVR A HETRICK (C: 1-0-0)

(W) Greg Weisman (A) Frank Paur (CA) Meghan Hetrick

The year is 1107, and an immortal Demona and her adopted daughter Angelika have found their way to the frozen fjords of Norway, where they sign on to help crew the flagship of Sigurd Magnusson, last of the Viking kings.

Carving a path of destruction across the sea and land, they raid and plunder in a relentless (and rewarding!) search for treasure. But the two exiles are not the only Gargoyles in Sigurd's employ and when his fearsome longboats reach the glittering city of Constantinople, all of the stone guardians on board will face a life-altering dilemma!

Gargoyles creator GREG WEISMAN and original animated series artist FRANK PAUR set a course for adventure in the second chapter of their history-bestridding saga Gargoyles: Demona featuring fiercely fashioned covers from PAUR, MEGHAN HETRICK, JAE LEE & JUNE CHUNG, and MARK BAGLEY! Greed and corruption flourish in the darkness between stars. With the territories of the Galactic Federation spread far and wide across the vastness of space, pirates and hijackers ransack the distant colonies with cruel disregard for the innocent scientists living within them.

Yet there is a cosmic vigilante who metes out justice throughout the galaxy, bringing vengeance to those prey upon the defenseless.

Some say he is a policeman who has abandoned the strictures of the law. Others say he is a phantom, the sole survivor of a war-torn planet. And those who have survived his wrath claim he is more a force of nature, able to bend the very elements of Creation to decimate his enemies.

VAMPIRELLA THE DARK WORLD TP VOL 01 (C: 0-1-2)

(W) Christopher Priest (A) Ivan F Silva, Aaron Felizmenio (CA) Ergun Gunduz

Following the shattering events of Vampirella: Beyond, Draculina is compelled to switch realities with her evil alternative self Katie, and winds up being imprisoned in the astral plane known as "The Dark World" where she is hunted through the streets of 1969 New York City by malicious creatures she herself created as a child!

The Dark World, which responds to the subconscious of those trapped within it, has produced a hell of Draculina's own making. But it may be that one of the living constructs tormenting her actually holds the key to her survival!

They saved the world long before Captain America or Iron Man were ever born, but what does this mean to our heroes of today? What does this mean to Nick Fury? Michelangelo has been pulling the strings for years, but can even he keep da Vinci and Newton from killing each other and destroying the Brotherhood of the Shield? The battle for the Immortal City is on as the truth behind Nostradamus is uncovered, and Howard Stark lays the foundation for the espionage organization you know and love! DEAD DAY TP VOL 01

(W) Ryan Parrott (A) Evgeny Bornyakov

If the dead could come back for just one night, would we want them to?

Meet the Haskins, a seemingly normal suburban family, as they prepare for the annual macabre holiday known as "Dead Day" - when the deceased rise from the grave from sunset to sunrise. Some come back to reunite with family and friends, others for one last night of debauchery, still others with only one thing on their decomposing mind: revenge.

From writer Ryan Parrott (OBERON, VOLITION, Power Rangers) and artist Evgeniy Bornyakov (DESCENDENT, YOU ARE OBSOLETE) comes an unnerving tale of existential horror with grave consequences. This volume contains issues #1-5. (STL169491) (JAN211054)

DEAD KINGS TP VOL 01

(W) Steve Orlando (A/CA) Matthew Dow Smith

Sasha never saw his younger brother...until the secret police made him disappear. Sasha Vasnetsov left Thrice-Nine-the dirty folklore world that limps along in the wreckage of a Technomagic War-thirty years ago and never looked back. But word that the secret police have sent his brother Gena to a work camp for the socially degenerate drags him back, with a promise to free Gena and return him to their mother before her fiftieth birthday. The only problem? Sasha isn't a fraction of the tough guy he tries to be, so if he's going to break back into Thrice-Nine...he'll need help. Sasha's only hope is Maria Kamenaya, a former Technomagic Warrior with hundreds of enemy kills to her name, betrayed by the country that made her when her honor conflicted with their agenda. Thrice-Nine took Sasha's brother, and it took Maria's heart. This quest is how they get both of those things back, in the steaming, lawless land of decapitated states...the land of DEAD KINGS. Like True Grit set in the world of Final Fantasy, DEAD KINGS is unrelenting with its passion and thrills, massive in scale and unflinching as it peers into the underside of the obligations that drive us all: to family and country. It's a classic Wild West revenge cast against a haunting, awe-inspiring vision of a future where we've mortally wounded the world, and the prisoners are the only ones left to run the penitentiary (STL115016) (MAY191319)

CENTAURS GN VOL 01

(W/A/CA) Ryo Sumiyoshi

An epic fantasy adventure set in an alternate medieval Japan, where humans co-exist with the mythic half man/half horse beasts known as centaurs, or "jinba". The centaur race were long revered as deities in ancient times; however, with the advent of the sengoku (warring states) period, humans started to enslave and use them for military purposes due to their speed, stamina, and ability to communicate in human language. Centaurs living in the plains were rapidly subjugated; in contrast, large numbers of centaurs living deep in the mountains were still free due to their relative isolation.

A wild and proud warrior jinba from the mountains named Matsukaze, known as the redheaded rock tiger, is caught while protecting his son. He is traded to a feudal lord, and taken to his land. There he meets another centaur, named Kohibari, whose village was burned down as a child. He is a tame centaur, who had his arms amputated when he was captured, and has given up hope of escaping his human captors. If they can get over their differences and work together, they just might be able to return to the wilds as free centaurs. (STL259505) (MAR231070)

It is the near future, and student violence in schools is out of control. In a questionnaire survey for teachers, 98.6% say it is far more challenging to teach students than in the past, and 85.8% say it is not only more challenging but now dangerous.

Eventually, due to out of control youth violence, a teacher is murdered, and the news goes everywhere. As a result, public opinion calling for rapid changes to juvenile law boils over in all parts of the country.

The Ministry of Education and the National Assembly, feeling the seriousness of the collapse of the teaching authority, take the news very seriously and revise the Teaching Rights Protection Act to create a single supervisory body. The name of the supervisory body is the Office of the Protection of Educational Rights.

Hwajin Na becomes a supervisor of the Educational Rights Protection Bureau and is sent to a school where the collapse of authority is severe. His teaching techniques are violent for someone who works in the Ministry of Education. That being said, when punishments don't seem to work on even the worst of school bullies, there is no better man for the job. Sometimes you can't get a good education until those bullies are taught a lesson...

A classic collection from Osamu Tezuka, the Godfather of Manga, now in English! Originally published between 1971 and 1975, this collection of short stories depicts an Earth in which birds become the planet's dominate species.

Eventually, a highly intelligent leader of the birds emerges to begin negotiations with humankind on behalf of his people...

IT RHYMES WITH TAKEI HC

(W) Steven Scott & Various (A) Harmony Becker

George Takei has shown the world many faces: actor, author, outspoken activist, helmsman of the starship Enterprise, living witness to the internment of Japanese Americans, and king of social media. But until October 27, 2005, there was always one piece missing—one face he did not show the world. There was one very intimate fact about George that he never shared... and it rhymes with Takei. Now, for the first time ever, George shares the full story of his life in the closet, his decision to come out as gay at the age of 68, and the way that moment transformed everything. From his earliest childhood crushes and youthful experiments in the rigidly conformist 1950s, to global fame as an actor and the terrible fear of exposure, to the watershed moment of speaking his truth and becoming one of the most high-profile gay men on the planet, *It Rhymes with Takei* offers a sweeping portrait of one iconic American navigating the tides of LGBTQ+ history. Its richly emotional words and images depict the terror of entrapment even in gay community spaces, the anguish of speaking up for so many issues while remaining silent on his most personal issue, the grief of losing friends to AIDS, the joy of finding true love with Brad Altman, and the determination to declare that love openly—and legally—before the whole world. Ho Ho Horror! The slasher film that turned Christmas into a killer holiday is back! Billy saw his parents viciously murdered at the hands of a madman in a Santa suit. Orphaned and alone, Billy suffered even more at the hands of an overly strict nun, turning him into a killing machine hell-bent on punishing the naughty. Now...40 years later, a new nightmare begins. A holiday killer is on the loose, but there's more here than just a psycho in a red suit. Sinister forces have awakened to raise an unstoppable evil once more, doling out punishment with the edge of his axe. Don't get caught on this naughty list. This is a brand new officially licensed story taking place after the events of the 1984 movie and delivering a brand-new horrifying holiday classic! This issue comes with four covers - Main Cover by Buz Hasson & Blair Smith, Variant by Puis Calzada, Classic Photo Cover, and a special Black & White Virgin Century cover edition limited to just 100 copies printed! Are two Todesbots, Nazi death-machine robots, better than one TommTomm? We'll find out in this action packed installment as Bombshell, TommTomm, MI-5 Agent Wilkinson and a squad of MI-5 agents take on the Nazi spy ring leader Klaus Von Bader, his henchmen and two Todesbots.

Meanwhile, two top archaeologists of the S.S.'s Ahnenerbe Division, Franz Altheim and Erika Trautmann,

at an ancient temple in Baalbek, Lebanon are about to uncover something rather ... unearthly.

Back in Amesbury, England, MI-5 Scientist Professor Graham Rockwell is getting close to discovering TommTomm's origin, while in Germany, Reichsfuhrer Himmler receives news of another wonder weapon,

this one named "Die Glocke", which may have more interesting capabilities than just "any weapon".

HOW COMICS ARE MADE VISUAL HIST DRAWING BOARD TO PRINTER (C:

(W) Glenn Fleishman

How Comics Are Made covers the entire history of newspaper comics from a unique angle—how they were made and printed. This book combines years of research and dozens of interviews with cartoonists, historians, and production people to tell the story of how a comic starts with an artist's hand and makes it way through transformations into print and onto a digital screen. You'll see reproductions of art and artifacts that have never appeared in print anywhere, and some historic comics will appear for the first time ever in any medium in this book. And you'll find out about metal etching, Dragon's Blood (a real thing), flong (also a real thing), and the massively, almost impossibly complicated path that original artwork took to get onto newsprint in the days of metal relief printing. Foreword by bestselling author Michael Chabon. (STL367207) (C: 0-1-1)

TERRY & THE PIRATES MASTER COLL HC VOL 11 (C: 0-1-2)

(W/A) Milton Caniff

"Things really begin to happen in the early '40s. Terry Lee grows up to be a Flight Officer in the Air Force and, played against the background of a World War, takes on considerable dimension. Now Caniff was in his element. Terry was no longer a mere comic strip. It was a war novel!" - Jim Steranko

The saga continues in Terry and the Pirates Volume 11, reproduced from Milton Caniff's personal set of color syndicate tabloid proofs!

It's a new year of reunions, not resolutions-Terry and Pat join forces! They connect with the Dragon Lady-and with Terry's old flame, Hu Shee! Terry, Hotshot Charlie, and Hu Shee cross paths with swashbuckling pirate Johnny Jingo, in turn joining Terry's old friend April Kane before a new encounter with Nazi collaborator Papa Pyzon! Papa is exactly who he seems, yet his henchman, Mr. Hutch, may have a different trick up his sleeve. Meanwhile, the trick up April's sleeve is less successful, positioning Terry to weather a wintry storm with the delightful Fob Cobb and the prune-faced Ilse Grosse-Nach. It's like getting both candy and a lump of coal in one's Christmas stocking!

This tabloid-sized Volume 11 containing the 1945 dailies and Sundays is an unparalleled upgrade that no Terry fan can afford to pass up. (STL356106) (C: 0-1-2)

(W) Milton Caniff

The Library of American Comics and Clover Press are proud to publish Terry and the Pirates: The Master Collection. Reproduced from Milton Caniff's personal set of color syndicate tabloid proofs that were unavailable for previous books, this series is the ultimate edition of Caniff's masterpiece. We present the Sundays in an unmatched color fidelity and larger than they have ever before been reprinted -- an unparalleled upgrade that no Terry fan can afford to pass up.

The complete strip will be collected in twelve deluxe 11" x 14" hardcover volumes, with a complementary thirteenth volume by Dean Mullaney and Bruce Canwell that tells the behind-the-scenes story of the strip.

Terry and the Pirates debuted in October 1934. For the next twelve years, Caniff would weave a spell of exotic adventure, sex appeal, and humor. The cartoonist set the strip in exotic China, where historic events occurring in the region during the 1930s provided the raw material from which he blended fantasy and reality to create an extraordinary graphic narrative. The series introduces young Terry Lee, his adult pal Pat Ryan, their sidekick Connie, as well as an array of unforgettable brigands such as Captains Judas and Blaze, and the two toughest women to ever sail on the China Seas: the alluring Burma and the inimitable Dragon Lady.

No cartoonist has so heavily influenced his medium as has Milton Caniff, and no comic strip has had more imitators than Terry and the Pirates. Terry and the Pirates was read by 31 million newspaper subscribers between 1934 and 1946.

Vol. 1 collects all dailies and Sundays from the strip's beginning on October 22, 1934 through the end of 1935 in a deluxe 192 pp, 11" x 14", hardcover.

"In the first few years of Terry and the Pirates, Milton Caniff invented the visual and textual language that defines the very vocabulary of all adventure and character-based comic art.... It is the greatest adventure comic strip ever done-a genuine masterpiece of its art form."

(W/A/CA) Milton Caniff

Volume 2 of this landmark series-reproduced from Milton Caniff's personal set of color syndicate tabloid proofs-features the iconic 1936 daily and Sunday adventures, which continue their separate paths until the end of August when the stories-and cast of characters-are happily united once and for all.

In the Sunday Saga, Pat and Cap'n Blaze have it out across a checker board! Then things get really hot when the Dragon Lady and her men lay siege to Blaze's encampment! A twist of fate puts Pat in charge of the Dragon Lady's forces, but they're mistaken for soldier-of-fortune pirates when the Chinese Army storms their position. It takes timely intervention from a surprising source to gain their freedom.

Meanwhile, in the Daily Saga, fists fly when Terry, Connie, and Pat are taken prisoner by the insidious Captain Judas-and sparks fly when the boys have their first meeting with beautiful, blonde Burma! The famous strips from March 16-21 steamed up the national audience and became one of the most imitated sequences in comic strip history. Later, cat claws are unsheathed against the backdrop of plague on the plantation run by Stan and Wendy Wingate, Burma takes a dive, and with the daily and Sunday strips integrated into a unified storyline the boys once again confront the Dragon Lady before running afoul (accent on the foul!) of Papa Pyzon.

The Library of American Comics and Clover Press are proud to publish Terry and the Pirates: The Master Collection, the ultimate edition of Caniff's masterpiece. The Dragon Lady gets a bang out of her time with Papa Pyzon, but Terry, Pat, and Connie escape, only to have their first meeting with the lowest of the low, Tony Sandhurst-and is Pat in for a surprise when he meets Mrs. Sandhurst! Despite saving Sandhurst's miserable life on multiple occasions, Tony connives to bring charges against Pat. Friends and a former lover help acquit him, even as Connie finds a new ally, the gentle giant, Big Stoop. Burma and Captain Judas both make return appearances, and the year ends with Terry, Burma, and Connie assisting ragtag Chinese peasants, unaware a new menace grows near.

Warlord Klang makes life rough for Terry, Connie, and Burma, but they find an unlikely ally when-for the first and only time-the Dragon Lady and Burma appear in the same story! In one of the strip's most famous sequences the Dragon Lady changes her scales, seizing Klang's troops and turning them into a force to fight a hostile invading army. Meanwhile, Hunter Yurk and young Nastalthia ("Nasty") Smythe-Heatherstone stir up trouble, and a reunion with Pat and Big Stoop isn't enough to prevent a cat-fight over Nasty's wealthy papa between Burma and conniving Drusilla Crail. When Burma again takes it on the lam, the boys agree to a dangerous mission in Indo-China for Mr. Smythe-Heatherstone.

In the heart of Indo-China Terry, Pat, Connie, and Big Stoop take the good (teenaged southern belle April Kane) with the bad (the twin villainy of Baron DePlexus and Sanjak). Later, back in Hong Kong, competition from young Deeth Crispin III forces Terry to take dancing lessons-from the Dragon Lady! When the dust settles the three kids are scooped up and held captive in an expansive net that also leaves Pat and the Dragon Lady in the clutches of Warlord Klang! Escape causes the heroes to scatter. Pat and April are snatched up by Cap'n Blaze and his daughter, Cheery-who really fails to live up to her name!-with the menace of Singh-Singh lurking in the wings...

happen, wily Rouge abducts Taffy Tucker and gives her amnesia before slipping away! Taffy is in safe hands, however, when she falls under the wing of Connie, Big Stoop, and Navy Lieutenant Pat Ryan! What if Tiana made a deal that changed everything?

Disney's *The Princess and the Frog* gets a new twist in this young adult graphic novel that reimagines Tiana's battle against Dr. Facilier and romance with Naveen.

Sometimes life in the Big Easy is tough. No one knows that better than Tiana, though she also believes that hard work can go a long way. But when the notorious Dr. Facilier offers her a deal she can't refuse, it alters the course of her life in an instant.

Soon Tiana finds herself in a new reality where all her deepest desires are realized: She finally owns a restaurant, her friends are safe and sound, and most miraculous of all, her beloved father is still alive. She's got everything she's ever wanted. . . .

But as Mardi Gras approaches, and with it the anniversary of her deal, New Orleans grows increasingly eerie, and new threats crop up daily. It's up to Tiana—with some help from Naveen and Charlotte—to set things right or risk losing everything she holds dear.

This lively and joyous adaptation of fan-favorite A Twisted Tale novel Almost There introduces a Tiana who takes control of her destiny and fights for her dreams—and for those she loves.

Fueled by pure grit, rage, and a dash of cunning, his only way out is to take up the mantle of ninja. O/A YOKAI THE ART OF SHIGERU MIZUKI HC (C: 0-1-2)

(W/A/CA) Shigeru Mizuki

Shigeru Mizuki is no stranger to the supernatural and its portents. Kitaro and Tono Monogatari reimagined the obscure folktales of his youth, bringing them to life with whimsy. Mizuki the cartoonist certainly left an indelible mark on comics as world literature. Mizuki the fine artist, on the other hand, rounds out the full scope of his fascination with the otherworldly and fantastic, bringing these worlds to life in robust color. Yokai: The Art of Shigeru Mizuki showcases his expertise of not only folklore, but celebrates him as a naturalist. Elements of Mizuki's lush compositions—flora, fauna, and everything in between—showcase his mastery of form and love for nature. Pieces in this deluxe, full-color edition call to mind the playful pop-sensibility of Maurice Sendak informed by the technical prowess of traditionalists like Dürer and Doré. And like any other Mizuki classic, each oeuvre is a unique snapshot of spirit, human or otherwise, in constant transition. (STL282400) (C: 0-1-2)

SOMETIMES YOU BREAK THE INTERNET-AND SOMETIMES THE INTERNET BREAKS YOU! AT LAST-THE TRUE STORY OF THE VIRAL HOAX SO INSANE IT COULD ONLY BE TOLD AS A COMIC BOOK! From the honestly pretty impressive mind of multi-hyphenate writer-comedian-actor-musician Dave Hill (Tasteful Nudes) and breakout artist Artyom Topilin (I Hate This Place) comes the SHOCKINGLY TRUE, TERRIFYINGLY HILARIOUS, AND ONLY MODESTLY EXAGGERATED tale of how one stand-up comedian forged a secret online identity as America's first true black metal icon . . . and accidentally started an international incident that almost wiped Gary, Indiana, off the map! Two decades ago, Dave Hill and his first band set out to rock their high school auditorium in a fury of heavy metal hellfire. They failed miserably. Years later, Dave has made a new life for himself as a rising star in the New York comedy scene-a career where getting laughed at on stage is the entire point and not just a tragic consequence. But when Dave's metal ambitions are reawakened by the über self-serious "satanic" genre of Norwegian black metal, Dave creates a ridiculously hyperbolic alter ego and a band to match that, together, reignite the spark of his forgotten rock 'n' roll fantasy. But when Dave's internet-fueled rumors of Witch Taint-a metal band "so extreme that you must remove all sharp objects from the immediate area" when their music is played-spreads all the way to Europe, his story will spiral dangerously out of control as Norway's most extreme black metal butchers come to reap their revenge . . . and put everything and everyone Dave holds dear in the crosshairs (of their axes, which, truth be told, don't actually have crosshairs, but, hey, it's a metaphor). ATLAS COMICS LIBRARY NO 6 HC VOL 06 SHIVER AS YOU READ (C: 0

(W/A) Various

Pulp horror classics from the 1950s! Revenge, ghosts, locked rooms and killer ants, taken from early Marvel Comics series Men's Adventures and Amazing Detective Cases.

The 1950s boom in horror comics saw Atlas Comics' entrée into the genre. Beginning in March 1952, Amazing Detective Cases began detailing cases where justice was served in supernatural fashion and beginning in May 1953, the adventures in Men's Adventures were taken over by ghosts, murderous revenge, and psychological terror. The cream of Atlas' artistic line-up - including recent EC stars and future Marvel staples - rose to the grisly challenge of the horror genre. Each issue is crammed with four condensed tales of creeping dread, ironic comeuppance, or startling twists, all from a different artist or team.

Among the short, sharp shocks included in this volume are the mini masterpieces "The Eerie Escape" by B. Krigstein, "The Torture Master!" by Russ Heath, "The Drowning Witch" by Reed Crandall and "The 3rd Corpse" by Bill Everett. Stories by Gene Colan, John Romita, Joe Sinnott, Dick Ayers, Jim Mooney, Paul Reinman and George Tuska, all of whom remained through the shift to Marvel Comics, additionally fill out these issues, along with Atlas regulars Fred Kida, Mort Lawrence, Mike Sekowsky and Myron Fass. Notably included is the first appearance of "Gorilla Man" by Robert Q. Sale, a character brought back in Marvel's contemporary Agents of Atlas series, and part of their ongoing continuity.

Collecting Amazing Detective Cases #11-14 and Men's Adventures #21-26, Shiver As You Read! is a perfect companion to Adventures Into Terror, Venus, and the other titles of the Atlas Comics Library. (STL343280) (C: 0-1-2)

O/A ATLAS COMICS LIBRARY HC VOL 05 POLICE ACTION (C: 0-1-2)

(W) Joe Maneely & Various

Before focusing on superheroes, Marvel published eleven crime-related titles including Justice Comics, Official True Crime Cases, All-True Crime, Crime Cases, Crime Can't Win, Crime Must Lose, and Crime Exposed. Of these, Fantagraphics has selected Police Action which features a run of noir-ish morality plays, pitting the police against the criminal element, and was produced by the cream of the Atlas freelance roster. Rounding the volume off is Police Badge #479, a snapshot of the industry's attempts to adapt to the new Comics Code. (STL327600) (C: 0-1-2)

ATLAS COMICS LIBRARY HC VOL 04 WAR COMICS (C: 0-1-2)

(W/A) Various

Continuing Fantagraphics' project to reprint Marvel Comics' 1950s genre titles, this volume compiles the first of what became the industry's largest line of war books. Produced by veterans of WWII, the eight issues here feature future mainstream comics stalwarts such as Gene Colan, Russ Heath, Joe Maneely, and more.

Forged in the crucible of the Korean War, and produced by veterans of the Second World War, this volume's eight issues present the brutality and grimness of armed combat by some of Atlas' most notable war artists and future comics stars including Gene Colan, Russ Heath, Joe Maneely, Dave Berg, Jay Scott Pike, Mike Sekowsky, Vern Henkel, Allen Bellman, Pete Morisi and Norman Steinberg.

Propaganda abounds from the very first story, published in War Comics #1 in September 1950: "Peril in Korea," a primer explaining why the U.S. joined the conflict. Other highlights include Colan's "The Chips are Down" and "Victory," Heath's "Alone" and "No Survivors," Maneely's "Stormy Weather," Henkel's "Total Destruction," and Berg's "The Infantry's War."

Originally a trial spun off from the publisher's "Men's Adventure" publications, in the nine years to follow Atlas went on to produce 533 comic book issues with war content, across 34 different titles. War Comics is where it all began, unseen in decades, scanned from the original books, restored, and packaged as one large, beautiful hardcover volume. DEVILS GRIN GN BOOK ONE

(W) Alex Graham

Alex Graham's follow-up to her acclaimed Instagram-sensation-turned-graphic novel Dog Biscuits chronicles the intertwined lives of the residents of Henryville, Idaho-which involve demons, Jim Morrison, a cartoonist with supernatural talent, sewer rats, and much more.

Robert wasn't born into an ordinary life. It began in a rush: flushed down a toilet by his mother and carried into the sewer by a demon. This monstrous presence stalks Robert into adulthood, haunting his dreams. Robert just wants to be like his idol, Jim Morrison, writing poetry, playing rock 'n' roll, and chasing beautiful women. But the demon soon begins haunting the entire city of Henryville. Dandelion, a young poet, falls in love with Robert and begins having confusing, terrifying romantic

visions of the demon she can't seem to shake. Gary, a cartoonist, becomes convinced that his vengeful cartoons are channeling the word of a righteous God, capable of manipulating reality in powerful and destructive ways. They and other residents of Henryville find themselves tangled in a web of sex, drugs, rock 'n' roll, newspaper funnies, and demonic possession. Will the town's residents find a way to escape?

With its mix of comedy, horror, magic realism, anthropomorphism, naturalism, humor, psychedelia, and pathos, *The Devil's Grin* is a remarkable work of contemporary fiction by one of comics' most distinctive storytellers. Weaving together multiple character arcs at a brisk, deft pace, Graham juggles their secrets, desires, and insecurities in continually surprising ways, slowly introducing layers of malice that lead to an unexpected darkness. Graham's clear yet loose cartooning perfectly unfolds every twist and turn with creative precision. (STL370354)

DOG BISCUITS HC (C: 0-1-2)

(W/A/CA) Alex Graham

Social justice, "woke" culture, social media, gender

dynamics, and insouciance intersect in this pandemic-inspired

graphic novel about the repercussions of making

mistakes.

It's July 2020 in Seattle. Gussy struggles to keep his dog biscuit boutique

afloat while a global pandemic rages unchecked. The loneliness of lockdown

and social distancing drives his employee Rosie to betray her principles.

Rosie's roommate Hissy is at a personal crossroads. A love triangle

emerges as they find themselves tangled in a web of police brutality, protests,

drugs, dating apps, and Covid chaos. Taking place over the course

of just a few days, this is a snapshot of humanity - okay, animals - in

crisis. Alex Graham's pandemic-inspired graphic novel was initially serialized

six panels at a time on Instagram during the lockdowns of 2020 and

became one of the most talked about comics of the year; this hardcover

edition will remain a timeless work long after the pandemic ends. (STL220945) (MAR221621) (C: 0-1-2)

IDRIS FILE HC (C: 0-1-2)

An awkward young man discovers that his quiet seaside Welsh town harbors Nazi horrors in its haunted cemeteries, making for a historical graphic novel thriller that reads like *The Banshees of Inisherin* meets *Raiders of the Lost Ark*.

In Wales 1974, a fisherman inadvertently reels in a Nazi flag. Meanwhile, young Idris and his mother ride a train in the countryside. Idris's mother has a new housekeeping job awaiting her in the small town of Bothelli, by the sea. Her new employer, a wealthy man named Mr. Miller, is confined to a wheelchair and beginning immediately upon their arrival, Mr. Miller's unceasing demands as an employer leave the socially awkward Idris adrift in his new town, friendless. That is, until he meets the mysterious and profane Gwen in the local cemetery. When Idris shows Gwen a map that he found at Mr. Miller's, it sucks them into a web of mystery and unimagined horrors.

As he did in his acclaimed 2018 graphic novel *Dull Margaret*, co-created with Jim Broadbent, Dix brings his world to life with his distinctive cartooning, weaving lumpy characters, earthy palettes, grim rumination, deadpan humor, supernatural elements, and a dreary countryside setting into one of the gnarliest graphic novels of the year. CARAVAGGIO THE PALLETTE AND THE SWORD TP VOL 02 (C: 0-1-2)

(W/A/CA) Milo Manara

The bawdy, swashbuckling story of one of the greatest painters in history concludes, in Milo Manara's sumptuous, hot-tempered graphic biography of his artistic idol, Michelangelo Merisi.

Milo Manara's *Caravaggio: The Palette and the Sword Book 2*, the second half of Manara's epic two-volume biography of the hot-tempered Italian master painter, depicts the tragedy of his years on the run for killing a man in a duel in Rome. With a price on his head, Caravaggio flees to Naples, Malta, and Sicily - continuing to paint and desperately hoping his work will earn him a pardon from the pope.

*Caravaggio: The Palette and the Sword Book 1* and *Caravaggio: The Palette and the Sword Book 2* - the latter available in English for the first time - mark the return of Milo Manara to U.S. readers and the debut of a new series of affordable graphic novels from Fantagraphics of maestro Manara's internationally acclaimed work. This second volume also includes an exquisite portfolio of Caravaggio's paintings from the 1600s, created during his exile from Rome. (STL370355) (C: 0-1-2)

(W/A/CA) Milo Manara

Discover the bawdy, swashbuckling life of one of the greatest painters in history through Milo Manara's passionate and personal tribute to his artistic idol.

Caravaggio: The Palette and the Sword Volume 1 is the first half of Milo Manara's two-volume epic biography of the hot-tempered Italian master painter. It depicts Caravaggio's early years in Rome as he struggles to capture truth on canvas, only to have his art condemned to be burned by the Church. He then is forced to flee the city when he kills a man in righteous fury over the death of a prostitute.

The two volumes of Caravaggio mark the return of Manara to U.S. readers and the debut of Fantagraphics' new series, The Milo Manara Signature Edition, featuring affordable paperbacks of maestro Manara's internationally acclaimed work. (Volume 2 will follow in Spring 2025.) WRESTLER HC (C: 0-1-2)

(W/A/CA) John Kenn Mortensen

John Kenn Mortensen's mordant, black-and-white inked images have taken you to The Nightmare Factory, scared you with The Bestiary, and given you Night Terrors - now in the internationally bestselling artist's debut graphic novel, you're going to fight like hell!

Freestyle wrestler The Sledgehammer has never met defeat, not at the hands of Painkiller, Handsome Jens, Fezzik the Giant or the Angel of Death. But over the course of 80 pages, Danish illustrator John Kenn Mortensen's surreal black and white graphic novel will take Sledgehammer to the limits of reality, to show that he's motivated by far more than hubris-it's also love.

Mortensen's first English-language graphic novel delivers on the promise that his delightfully macabre books of illustration had previously made to readers around the world. With his spidery black-ink style, reminiscent of Edward Gorey's gothic line, we're taken to a world in which heavy metal mixes with the WWE by way of The Seventh Seal and Faust. NIGHT TERROR HC

(W/A/CA) John Kenn Mortensen

Reminiscent of Edward Gorey and Bernie Wrightson, a collection of spine-chilling line drawings of the creatures that haunt our dreams when night falls. When the sun goes down, our minds invent all manner of horrors that may lurk in the darkness. Danish cult illustrator John Kenn

Mortensen (Sticky Monsters) draws inspiration from this shadowy realm, and his pen skillfully conjures these eerie visions on paper. Open this book (if you dare) to encounter a frightful horde of sepia-toned spooks - witches, wraiths, goblins, giant spiders, wild boars, evil clowns - and countless other unspeakable creatures. Hairy, hooded, or horned, they peer at you ominously through dead eyes, their fangs bared. By turns playful, wicked, stunningly imaginative, and masterfully rendered, the compositions in Night Terror are like a combination of Edward Gorey and Bernie Wrightson - and the monsters themselves are as formidable and menacing as those that The Witcher might hunt down. A deliciously creepy collection of pen-and-ink drawings for those who find themselves beguiled by the things that go bump in the night. (STL251709) (FEB231399)

NIGHTMARE FACTORY HC (C: 0-1-2)

(W/A/CA) John Kenn Mortensen

For horror fans of all ages, a spine-tinglingly creepy and darkly comedic picture book. Fantagraphics' third release in English from Danish cult illustrator John Kenn Mortensen.

Gruesome, spindly figures gather outside a house, then spirit away a dreaming youth, bed and all. The stage is set for 32 skin-crawling poems imagining various children's nightmares, all with sequential illustrations by Danish horror master Mortensen. His eerie visions fade to black at the edges, like a dreamer unable to shift their focus, and inspire delicious terror all by themselves. Similarly, the short poems each evoke a distinct sense of dread for the sleeping imagination to expand upon; together, the words and pictures conjure a nightmarish world tinged with pitch black humor. The sequences splay across double-page spreads, evoking Edward Gorey gone grand scale, and grand guignol.

For those of a nervous disposition, read in bright sunlight. For those in search of a nervous disposition, take two before bed. (STL323454) (AUG241729) (C: 0-1-2)

Furie's wildly popular teenage weirdoes became an internet sensation when Pepe the Frog was adopted by users of 4chan, giving Boy's Club built-in recognition. Boy's Club's sense of humor will especially resonate with fans of stoner comedies and black humor. (STL000380) (MAR161471) (C: 0-1-2)

#### COMPLETE WEB OF HORROR HC (C: 0-1-2)

(W) Bernie Wrightson & Various

The legendary, creator-controlled horror magazine  
from 1969 collected at last!

In 1969, a feisty new comics magazine emerged to rival the popular horror magazines Creepy and Eerie: Web of Horror. Conceived by a plucky, independent publisher, Web of Horror showcased instant classics of horror and science fiction by such rising stars of comic art as Bernie Wrightson, Michael Kaluta, Bruce Jones, Ralph Reese, Frank Brunner, Roger Brand, and Wayne Howard, as well as seasoned veterans such as Syd Shores and Norman Nodel, illustrating stories written by Otto Binder, Nicola Cuti, and others.

Now, over 50 years later, Fantagraphics presents the complete Web of Horror in one expertly edited and designed volume. In addition to all three published issues, this collection includes over a dozen stories intended for subsequent issues that have been rarely or never-before published, several long thought to be lost and recently unearthed. Among these "lost" stories is Wrightson's "The Monster Jar," lovingly restored by Frederic Manzano.

The Complete Web of Horror also features a wealth of historical and contextual essays, including the Foreword by original Web of Horror editor and science fiction novelist Terry Bisson; an account of the magazine's origin by the late Clark Dimond; the history of the magazine's rise and baffling demise by collection editor Dana Marie Andra; reminiscences by fanzine publishers Robert Lewis and Robert Gerson;

and an Afterword by Richard J. Arndt. (STL298328) (FEB241417) (C: 0-1-2)

WOMAN WITH FIFTY FACES MARIA LANI & GREATEST ART HEIST HC (C

(W/A/CA) Jonathan Lackman, Zachary J. Pinson

A revelatory biographical graphic novel chronicling the elusive life and tumultuous times of Maria Lani.

On April 7, 1928, Maria Lani blew into Paris claiming to be a famous German actress and proceeded to seduce the cultural elite with her undeniable charisma and strangely enticing enigmatic aura. She persuaded fifty artists -Pierre Bonnard, Marc Chagall, André Derain, Henri Matisse, Georges-Henri Rouault, Fernand Léger and Suzanne Valadon among them- to immortalize her in paintings and sculptures, which would appear as an important plot device in a forthcoming film. Unveiled as an exhibition in New York, the art works traveled to Chicago, London, Berlin, Rotterdam, and Paris. But, in 1931, as legend eventually had it, she and her husband Max Abramowicz vanished without a trace, and so did the art. The film was never made.

The Woman With Fifty Faces is about uncovering as much of the truth about Maria Lani as possible. The images that cascade through the book are stunningly beautiful, deeply compassionate, and farcically grotesque, capturing the essence of Lani's life. From Poland's antisemitic pogroms to the vulgar glamour and decadence of 1920s Paris to the Nazi occupation of France in the '40s, the tumultuous Europe Lani traverses becomes nearly as much of a character as Lani herself. Jonathan Lackman spent two decades researching Lani's life and Zachary J. Pinson spent 5,000 hours putting pen to paper. The result is a masterful collaboration about identity and the power and limits of reinvention. (STL370358) (C: 0-1-2)

IN THE END WE ALL DIE GN (C: 0-1-1)

(W/A/CA) Tobias Aeschbacher

If Tarantino met Murakami in Germany—this multiple-prize-winning graphic novel set in six adjoining apartments is touching, intricate and very, very violent. When three sleazy gangsters storm into an apartment in search of a stolen urn, they set off a series of unfortunate events that threatens

everyone in the building. As blood begins to pool, it becomes clear that this story is about more than the senseless violence. What is good and what is evil? Who decides who should die? And does anyone really know their neighbors? Theft and poison and so much shooting: and yet, on muted and somber pages, heartless villains become vulnerable heroes—before descending to cruelty once again. In this graphic novel that swept awards for best debut in Germany and Switzerland, a classic gangster comedy of errors grows into a meditation on loneliness, morality, and even love.

O/A LIFE AND ART OF MORT WALKER SURVEY OF HIS CARTOONS (C: 0-1-0)

(W) Bill Janocha (A/CA) Mort Walker

Mort Walker, the Dean of American Cartooning, left behind a legacy that extended far beyond his Beetle Bailey and Hi and Lois fame. For the first time ever, Hermes Press and Bill Janocha (Walker's assistant) present a rare selection of gags and art from Walker's early years, before Beetle-mania took over the world. This historical book contains examples of the work he did prior to Beetle Bailey, and explores the evolution of his style and showcases his many gags, from his early comics in Showme magazine to the work he did for the Saturday Evening Post. This tome also contains historical essays detailing his life and career, up until his death in 2018 as written by Janocha. (STL122540) (C: 0-1-0)

When cartoonist Elzie Segar created Popeye, as a minor character ten years into the run of the Thimble Theatre strip in 1929, little did he know that the world's most famous sailor would still be around over ninety years later and still being offered as a Sunday feature. To celebrate Popeye, the character, the comic strip and his universe, Hermes Press is publishing the definitive art monograph on the subject. This 192 page book features a comprehensive essay written by pop culture historian R.C. Harvey accompanied by over 350 illustrations of original strip and comic book art, animation art, illustrations, advertising art, products, the Robert Altman film, and everything Popeye, from Olive Oyl and Eugene the Jeep to Wimpy and Bluto. Mandrake the Magician began as a daily strip on June 11, 1934, and whether Lee Falk knew it as a sophomore at the University of Illinois, he was making history. (W) Lee Falk (A) Phil Davis

Mandrake the Magician began as a daily strip on June 11, 1934, and whether Lee Falk knew it as a sophomore at the University of Illinois, he was making history. The strips presented in this series of reprints feature two staple characters in addition to the master magician: Lothar and Princess Narda (princess of the mythical European kingdom Cockaigne). Lothar appears within the first few days (June 14, 1934), and Narda is introduced in Mandrake's second adventure. Narda is similar to Flash Gordon's Dale Arden: beautiful, constantly in need of rescue, and the love interest of our hero. A Prince of the Seven Nations of Africa, Lothar is Mandrake's devoted servant, friend and companion. He is, "the strongest man in the world," and decked out in a fez, shorts, and a leopard shirt.

This third volume of the series presents eight stories: "Mandrake in Hollywood"; "Sonny the Child Movie Star"; "Mandrake and the Haunted House"; "Blozz the Chamption"; "Mandrake in Love"; "Visitors from Space"; "The Deep South"; and "Mandrake in Cockaigne." (STL351675)

When the bus breaks down in San Jose, Lindy happens to meet a few local girls who want to take her to a real, live skate park. And when they do, Lindy immediately falls in love. With skateboarding. With having friends that aren't her cat. With staying in the same place for a little while. Lindy's parents want to get back on the road as soon as the bus is fixed—but Lindy is willing to do anything to get them to stay. Even if that means sabotage. Will they ever be able to put down roots? And will Lindy's parents ever forgive her if they do? (STL367896) (C: 0-1-2)

HARDCORE HAPPINESS GRAPHIC JOURNEY FINDING PUNKS POSITIVITY

(W/A/CA) Reid Chancellor

When you listen and scream along to your favorite punk or hardcore band, does that help your mental health or reinforce your frustrations? Artist Reid Chancellor leads us on a tour through hardcore musicians that have struggled with mental health-and written about it in their songs. In this graphic novel, Chancellor picks up the discussion he began in Hardcore Anxiety, in an engaging narrative that will be deeply relatable to anyone grappling with identity, fear, and loss in the mosh pit. Punk opens the door to speaking out about mental health issues, but it doesn't always encourage you to walk through the door and get help. Chancellor props that door open with humor and vulnerability, asking the question, "Why aren't there more hardcore songs about seeing your therapist?" That's a song we all might need to hear. This collection starts off in San Francisco, but aging parents and a major family emergency cause Ben to move back in Richmond, VA. After 23 years away, Snakepit returns to the place where it all started. His band breaks up, he turns 50, and the world and his life change dramatically, but Ben keeps bringing us a comic—and a song—every day throughout it all. Grown-up punks, fans of outsider art and diary comics, and anyone with aging parents will get it-and once you get it, much like growing older, there's no going back. (STL368151) (C: 0-1-1)

MISS RUKI GN (C: 0-1-2)

(W/A) Fumiko Takano

A classic of Japanese manga, Miss Ruki is a warm and vivid portrait of the lives of two young women in Tokyo during Japan's 1980s bubble economy. The titular Miss Ruki spurns the fast-paced consumer culture of the era in favor of a lighthearted life dedicated to her hobbies, her books, and spending time with her anxious but far more pragmatic friend, Ecchan. Takano's art moves with all the warmth, grace, and clarity of the everyday moments it depicts. Sweet and funny, these vignettes of a long-gone time still resonate today with readers and authors in Japan, with famed contemporary manga artist Keigo Shinzo noting, "To read it is to grasp something of the essence of Japan.... This is the kind of manga I want to draw." (STL367892) (C: 0-1-2)

BENJAMIN #1 CVR A WARD

(W) Ben H. Winters (A) Leomacs (CA) Christian Ward

IN ONE L.A. MOTEL ROOM, A COSMIC QUEST IS ABOUT BEGIN. . . . Edgar Award nominee and Philip K. Dick Award–winner Ben H. Winters (EC’s Cruel Universe, The Last Policeman Trilogy) and rising star Leomacs (EC’s Epitaphs from the Abyss, Refrigerator Full of Heads) unravel a three-part, prestige format series exploring the hallucinatory second life of a brilliant author who imagined our desperate future but never imagined he’d become part of it . . .

More than just a writer, more than just a science-fiction icon, Benjamin J. Carp was a cultural revolutionary. Across 44 novels and hundreds of short stories—including the counterculture classic The Man They Couldn’t Erase—Carp pushed the boundaries of literary respectability for the sci-fi genre and his readers’ perception of reality itself . . . until decades of amphetamine abuse and Southern California excess finally ended a mind-bending career that always just escaped mainstream success. He died in 1982.

Until 2025 . . . when Benjamin J. Carp awakens, alive, in a burned-out motel on the fringes of Los Angeles. He remembers dying. He knows he shouldn’t exist. Is he a dream? A robot? A ghost? A clone? A simulation? In his own time, Carp pondered all of these scenarios intensely through his

fiction—and, now, as he treks from Studio City to Venice Beach and onward into the paranoid sprawl of 21st-century Los Angeles, he will be called to investigate his greatest mystery yet: himself.

In the tradition of Philip K. Dick's *A Scanner Darkly* and Thomas Pynchon's *Inherent Vice* comes a uniquely fascinating and hilariously deranged excursion into the metatextual nexus where existence and oblivion, past and future, genius and madness, and glitter and grim reality all meet just beyond Hollywood Boulevard . . . (W) Ben H. Winters (A) Leomacs (CA) Malachi Ward

IN ONE L.A. MOTEL ROOM, A COSMIC QUEST IS ABOUT BEGIN. . . . Edgar Award nominee and Philip K. Dick Award-winner Ben H. Winters (EC's *Cruel Universe*, *The Last Policeman Trilogy*) and rising star Leomacs (EC's *Epitaphs from the Abyss*, *Refrigerator Full of Heads*) unravel a three-part, prestige

format series exploring the hallucinatory second life of a brilliant author who imagined our desperate future but never imagined he'd become part of it . . .

More than just a writer, more than just a science-fiction icon, Benjamin J. Carp was a cultural revolutionary. Across 44 novels and hundreds of short stories—including the counterculture classic *The Man They Couldn't Erase*—Carp pushed the boundaries of literary respectability for the sci-fi genre and his readers' perception of reality itself . . . until decades of amphetamine abuse and Southern California excess finally ended a mind-bending career that always just escaped mainstream success. He died in 1982.

Until 2025 . . . when Benjamin J. Carp awakens, alive, in a burned-out motel on the fringes of Los Angeles. He remembers dying. He knows he shouldn't exist. Is he a dream? A robot? A ghost? A clone? A simulation? In his own time, Carp pondered all of these scenarios intensely through his fiction—and, now, as he treks from Studio City to Venice Beach and onward into the paranoid sprawl of 21st-century Los Angeles, he will be called to investigate his greatest mystery yet: himself.

In the tradition of Philip K. Dick's *A Scanner Darkly* and Thomas Pynchon's *Inherent Vice* comes a uniquely fascinating and hilariously deranged excursion into the metatextual nexus where existence and oblivion, past and future, genius and madness, and glitter and grim reality all meet just beyond Hollywood Boulevard . . . Despite a life on the road with his free-spirited mother, fifteen-year-old Dan Stewart-Álvarez has always wanted to settle down. He just didn't think it'd be like this: with his mother abandoning him in rural Tennessee with two strangers—his gentle grandmother and conservative, rough-around-the-edges grandfather. Here, he is forced to adjust to working the farm, entering high school, and hardest yet—reckoning with his queerness in a severe Southern Baptist community. But even as Dan grows closer to his mawmaw, befriends fellow outsiders at school, and tries to make a new life for himself in Green Gables, he has to discover whether he can contend with intolerance and adapt to change without losing himself in the process. From award-winning author Rey Terciero and Eisner Award nominee and illustrator Claudia Aguirre comes a new retelling of Anne of Green Gables about unconventional families, queer identity, and finding the meaning of home in the most unlikely of places. ## BACK TO BLACK JULES FEIFFERS NOIR TRILOGY SC (C: 0-1-1)

(W) Fabrice Leroy (A) Jules Feiffer

The legendary American cartoonist and author Jules Feiffer has enjoyed a long and varied career, working on everything from illustrating *The Phantom Tollbooth* to writing the screenplay for the film *Popeye*. But some of his most innovative work came very late in his career, with a trio of graphic novels he composed in his eighties: *Kill My Mother* (2014), *Cousin Joseph* (2016), and *The Ghost Script* (2018). *Back to Black* provides the first full-length critical analysis of this trilogy, exploring how it pays homage to the iconography and themes of film noir through constant graphic experimentation and a striking reinvention of Feiffer's distinctive style. Fabrice Leroy shows how Feiffer deftly alternates between dramatic and satirical tones as he plays with the conventions of noir to provide a caustic yet moving commentary on mid-twentieth-century American life. Only one of those kingdoms can hold the seat of power; that kingdom is called Trumps. The Diamonds have held the seat of power since the last shuffle but the King of Clubs is waging war to wrest that power from the Diamonds so the Clubs can be trumps. The Queen of Diamonds is sick and on her deathbed, distracting the king from the war. Meanwhile, the Spades and Hearts are powerless and sitting out the fight...or are they? The Queen of Spades is working to convince the Jack of Diamonds to dethrone his king, and then they can unite Diamonds and Spades and become Trumps. (STL367625)

SAY HELLO TO BAD GUYS HOW PRO WRESTLINGS NWO (C: 0-1-1)

(W) Marc Raimondi

In 1996, professional wrestling was one of the most watched sports on cable television, with more than 5 million people tuning in every week. And in the late 1990s, pro-wrestling was the hottest thing in American pop culture. The NWO, or New World Order, became a business like no other, and was responsible for the explosive ratings and rabid fanbase. It started with an ingenious storyline starring Scott Hall, Kevin Nash, and the titular Hollywood Hogan—Hulk Hogan gone bad. Together, they formed a new era of characters to root for: The Bad Guys. The NWO broke down wrestling's fourth wall in a clever new way, blurring the lines between fiction and reality. And suddenly, watching professional wrestling not only became socially acceptable, but a necessity if you wanted to stay up to date with pop culture. Their impact was infectious and long-lasting. It was entertainment that shaped a generation. (STL367206) (C: 0-1-1)

O/A MASTERPIECES OF FANTASY ART TASCHEN 40TH ANNIV ED HC

(A) Michael Whelan & Various

Fantasy art, that colorful blend of myth, muscle and sexy maidens, took off in 1923 with the launch of *Weird Tales* magazine, was reinvigorated in the 1960s with *The Lord of the Rings*, Conan the Barbarian paperbacks with Frank Frazetta covers, and the late '60s emergence of fantasy psychedelia. It went big in the '70s with the role-playing game *Dungeons & Dragons*, the brilliant French magazine *Métal Hurlant*, and the first *Star Wars* film. The number of active artists peaked in that decade, but a new generation of fans discovered the genre through fantasy trading card games in the '90s, leading to a massive interest in the art form today. Fans line up at Comic-Cons to meet Boris Vallejo, Rodney Matthews, Greg Hildebrandt, Michael Whelan, and Philippe Druillet, and memorialize dead icons HR Giger, Jeffrey Catherine Jones, and Frazetta. This book features original paintings, contextualized by preparatory sketches, sculptures, calendars, magazines, and paperback books, for an immersive dive into this dynamic, fanciful genre. Insightful bios go beyond Wikipedia to give a more accurate and eye-opening look into the life of each artist. This collection will reign as the most exquisite and informative guide to this popular subject for years to come. (STL273051)

CASTLE SWIMMER GN VOL 02 (C: 0-1-2)

(W/A) Wendy Martin

The sharks want Kappa dead, and time is running out for Prince Siren to save him. Queen Susca knows Siren doesn't have the courage to kill Kappa, and for the sake of the kingdom, she's willing to do the deed herself. As tensions run high, neighboring queens pay the sharks a visit to offer an alliance, and while they might just be the means of escape the two mermen have been looking for, it's unclear if they can be trusted. Siren will do anything to get Kappa to safety—even if it means never seeing him again, and even if all Kappa wants is to stay by his side. Yet escaping the queen's spear will take all of Siren and Kappa's courage and cunning, and there's no guarantee they'll both

make it out alive. This volume collects episodes 20-41 of Webtoon's Castle Swimmer and includes a never-before-seen bonus chapter featuring Kappa and Siren. (STL367834) (C: 0-1-2)

Laurel Poppyfield, matriarch of the fairy Poppyfield family, is dying. She holds the majority of the Poppyfields' magic, and has no heir to give it to. Or so she thought until Callie, Declan, Lasser, and Radish walked into the family estate trying to find someone to heal Declan's wing. It turns out Declan is Laurel's grandson and practically fairy royalty, and the timing of his arrival could not be more perfect. Not everyone is happy about Declan's sudden appearance, though. Leir, one of Lasser's older brothers, has worked for years to become a trusted presence in the Poppyfield home. He was Laurel's top choice to inherit the family's magic before Declan showed up, and he's not about to let his plans get ruined. It's up to Callie, Declan, Lasser, and Radish to thwart his nefarious schemes before Laurel dies and the Poppyfield magic falls into the wrong hands. This volume of Katie Cook's Nothing Special collects the final 25 chapters of Season 2 of the webcomic. (STL367835) (C: 0-1-2)

In the late 1980s, Poland is facing debilitating food shortages, worker discontent, and astronomical inflation. Seemingly overnight, the country transitions from communism to capitalism. During this period of flux, Kasia Babis is born. In the shadow of national change, Kasia experiences her own journey of growth, from rebellious teen to politically minded activist. (W/A) Rick Veitch

From his roots in underground comics to his high-profile runs on mainstream characters, Rick Veitch (b. 1951) has carved out a career unlike anyone else's. Collecting thirteen interviews—including three published here for the first time—*Conversations with Rick Veitch* offers a wealth of insight not only into the development of Veitch's graphic innovations and metaphysical explorations, but also into the upheavals and transformations of American comics from the 1970s to today. Ranging across topics such as his early days at the Joe Kubert School, the controversial end of his *Swamp Thing* run, his muckraking work as a comics journalist, and his educational comics publishing venture, *Eureka Comics*, the interviews collected here reveal Veitch to be both a shrewd observer of the pitfalls of the marketplace and an eloquent spokesman for the boundless potential of creativity. When the elf Vinir beams Loki aboard his chariot and challenges him to a magical duel, Loki hasn't got a clue why. Sweet-talking his way out of a fight by pointing out there's little honor in dueling someone who can't remember how they wronged you, and even less in picking on a child, Loki is returned safely to school. That is, until Vinir shows up in child form, as resolute as ever about seeking that duel... and vengeance.

NESTLINGS BOARD GAME (C: 1-1-2)

From Lucky Duck Games. In Nestlings, players roll their biome dice each round and strategically place them in biomes, vying for resources and priority in turn-based competition. Priority is critical, as the first to place dice in a biome gets the first pick of resources and the chance to disrupt opponents by discarding their coveted resources. However, rivals can outmaneuver by placing more dice in the same biome, seizing control and shifting the dynamics. Players resolve biomes to collect resources, feeding their Nestlings for immediate points or completing their Resource Rings for bonus rewards and potential chain reactions. The tension escalates as decisions must be made—secure priority, pursue bonus objectives, or save resources for end-game Nest Goals. (STL360236) (3724/933846) (C: 1-1-2)

CARDINAL LEGACY DELUXE MANCALA GAME (C: 1-1-2)

From Spinmaster. An ancient game beloved to this day, Mancala is the simple yet strategic 2-player game of moving pebbles from cup to cup on the board. Each player picks a side and places 4 pebbles into each of the 6 nearest cups. To play, pick up all the pebbles from one of your cups and drop them one-by-one into each of the next 4 cups. If the last pebble drops into an empty cup on your side, you get to take all your opponent's pebbles in the opposite cup and put them in your end zone (your Mancala). If the last pebble played lands in your own Mancala, you get another turn. Play continues until all 6 cups on one side of the board are empty.
