NIGHTMARE BEFORE CHRISTMAS LONG LIVE THE PUMPKIN QUEEN HC

(W) Liz Marsham (A) Alessio Petillo, Ismeal Canales (CA) Jill Thompson

A NEW NIGHTMARE COMES TO HALLOWEEN TOWN!

An all-new graphic novel based on the New York Times best-selling Disney novel Tim Burton's *The Nightmare Before Christmas: Long Live the Pumpkin Queen* by Shea Ernshaw!

Jack and Sally Skellington seem like the perfect couple — but all is not well in Halloween Town!

After escaping from Dr. Finkelstein and marrying her true love, Jack, Sally has become the realm's official Pumpkin Queen. But as much as she adores her skeletal husband, the spotlight of popular attention and the weight of her many new royal obligations have left Sally wondering if she might have actually just traded one form of captivity for another. To make matters worse, when Sally and Zero discover a hidden doorway leading to the previously unknown Dream Town, the resulting cascade of calamities threatens not only her new position as Pumpkin Queen, but also the very foundations of her world!

To save her beloved home, Sally will have to summon all the strength she has within her seams — or else the future could become a nightmare without Halloween!

Featuring the timeless characters from Tim Burton's *Nightmare Before Christmas*, this all-new graphic novel is adapted by acclaimed author LIZ MARSHAM (*Disney Princess: Ariel and the Sea Wolf*, *Disney Tangled: The Series*) and illustrated by ALESSIO PETILLO and ISMAEL CANALES, and features hauntingly beautiful cover art by comics legend JILL THOMPSON! THUNDERCATS POWERPUFF GIRLS #2 CVR A GANUCHEAU (C: 1-0-0)

(W) Paulina Ganucheau (A) Coleman Engle (CA) Paulina Ganucheau

THE MYSTERY OF THE MISSING THUNDERCATS DEEPENS!

After being transported to Third Earth (where their powers don't work) by the malicious Mojo Jojo, the Powerpuff Girls have teamed up with locals Snarf and Tygra to try and figure out how to get home to Townsville. But they've also discovered that there's evil afoot in this strange new land — and what kind of heroes would they be if they didn't stay and help?

The Titanic Trio soon discover that things are even weirder on this world than they first appeared. Following an altercation with more crystal-possessed creatures, the girls and their 'Cat companions find themselves following a mysterious signal while riding on the back of a giant Arietta bird. Their ultimate destination has yet to be determined — but knowing this crew, whatever awaits them will be equal parts perilous and adorable!

Interdimensional tour guides PAULINA GANUCHEAU and COLEMAN ENGLE hit all the hottest sights in *ThunderCats/The Powerpuff Girls #2* — with complimentary souvenir covers available from GANUCHEAU and ENGLE as well as CORAN KIZER STONE, SAOWEE, and NICOLETTA BALDARI!

POWERPUFF GIRLS SUPERVILLAIN SPECTACULAR #1 CVR A LAURO (C:

(W) James Iii (A/CA) Carlo Lauro

SUMMERTIME — AND THERE'S VILLAINS A-PLENTY!

Summer is here, and all the citizens of Townsville are heading out into the sunshine and fresh air to enjoy the happiest and most carefree season of the year — including the city's surprisingly substantial population of supervillains!

In fact, when resident heroes The Powerpuff Girls arrive for a day of fun at the Townsville Amusement Park, they're shocked to discover that the rides are clogged with lawbreakers and malefactors of every description — and what's worse, the Mayor himself seems to be responsible for inviting them in!

The girls try to raise the alarm, but their warnings fall on deaf ears. And so, once again it's up to Bubbles, Blossom, and Buttercup to right that which is wrong and put the evildoers on ice — as well as ferreting out the real reasons for the Mayor's impeachable behavior!

Written and illustrated by the sunburned team of writer JAMES III and artist CARLO LAURO, this sizzling 40-page special comes complete with sun-blocking covers by LAURO, SILVIA DE VENTURA, and GEORGE KAMBADAIS! TERMINATOR #10 CVR A SHALVEY

(W) Declan Shalvey (A) Colin Craker (CA) Declan Shalvey

SYSTEM OVERLOAD!

In the terrible aftermath of Judgement Day, the scattered survivors of Skynet's nuclear holocaust slowly emerged from the wreckage, banding together in a desperate bid for survival. As their numbers grew, they learned how to evade the relentless machines — and eventually, how to fight back against them.

Soon, an organized resistance movement rose out of the ashes, and bit by bit the shattered remnants of humanity began to take back their world. At the center of it all was one man — a familiar face whose past turned out to hold the key to the future!

Master programmers DECLAN SHALVEY and LUKE SPARROW wrap up their second story arc in appropriately apocalyptic style with The Terminator #10 — featuring algorithmically optimized covers by SHALVEY, EDWIN GALMON, CAT STAGGS, and DAVID COUSENS! (STL374716)

GODS ONE WORLD UNDER DOOM #1

(W) Ryan North (A) Francesco Mortarino (CA) Valerio Schiti

ONE WORLD UNDER DOOM!

Using a combination of science and magic, Doctor Doom has taken over the world, which means Wyn - sole Avatar of The-Powers-That-Be (think: Magic God) - has an interest in how this happened AND how to stop it. His sworn apprentice, Mia DiMaria - a college-aged woman disillusioned with

most magic, some science and definitely ALL of her job working for Wyn - is brought along, and soon finds herself at the center of a crisis that could impact Earth for generations to come. And worst of all, Doctor Victor Von Doom believes Mia has potential - especially if she were to be freed from Wyn's control. Doom offers freedom, but all gifts from Doom come with a cost...don't they? Science and magic collide in this oversized one-shot that brings the world of G.O.D.S. to the heart of the Marvel Universe! And if you don't yet know the world of the GODS, this is the book for you: It is both accessible AND apocalyptic.

Logan is dead — but what will happen to his mortal remains, encased in Adamantium? The battle for control of this valuable artifact has begun — with Mystique, Mister Sinister, Daken, X-23, Sabretooth

and Lady Deathstrike among the players in this deadly game! But just as the X-Men finally come to terms with Wolverine's death, a shocking revelation reopens old wounds — and an epic quest begins across the Marvel Universe. (W) Brian Michael Bendis, Various (A) Chris Bachalo, Various (CA) Chris Bachalo

"Superstar comic author Brian Michael Bendis tells the gripping tale of the X-Men as fugitives on the run, in this thought-provoking and exciting era of Marvel's Mutants!

In the wake of the Phoenix event and Professor X's death, what are Cyclops and his outlaw X-Men: visionary revolutionaries or dangerous terrorists? Whatever the truth, Cyclops, Emma Frost, Magneto and Magik are gathering new mutants and redefining the name "Uncanny X-Men." But they face harsh challenges: Robotic Sentinels hunt mutants once again, there's a mole on Cyclops' squad and a villain is secretly posing as their former ally! As a new team of students forms, a weakened Magneto must prove he's still the Master of Magnetism, and Magik faces the evil Dormammu! But while the original X-Men from the past chart their own new path in the present, what happens when the X-Men of the future arrive with a dire warning? Plus: Xavier's last will and testament! The X-Men vs. S.H.I.E.L.D.! And Scott Summers driven ever closer to the precipice of disaster!

"One of the greatest comic sagas in history begins here, as Frank Miller takes the reins of Daredevil!

One of the most influential runs in not just Marvel history, but all comics history begins with the arrival of Frank Miller as the driving creative force of Daredevil. Miller remade the mythos of the Man Without Fear, first by illustrating Roger McKenzie's scripts with art partner Klaus Janson, and then by writing his own instantly-iconic tales. Miller grinds the grit of New York City's streets into every page, blending super heroics with dark tone of hardboiled crime. He also brings with him Elektra—the assassin with surprising connections to Matt Murdock's past—and The Hand—a group of eerie and unrelenting killer ninjas. Elektra's tempestuous relationship with Matt Murdock was an instant hit in the '80s. It's just as compelling today and forms the unforgettable backdrop of Daredevil's high-stakes war with the Kingpin.

This volume is on sale in SEPTEMBER 2022

It is said that when the world dies, the spirits of the first people will return to witness the last days of humanity. Well, the spirits have arrived, and the end is here. But not everyone has given up hope.

Naledi, a teenage girl living in the deserted city once called Johannesburg, has always believed that there is a land hidden away in time where the gods still live. And where there are gods, there are miracles. Perhaps even miracles that are big enough to save our dying planet. And so, after a lifetime of isolation, Naledi will head out into the unknown with little to hold onto but her faith - and her magical pet plant, Buyo.

A fairy tale for the times in which we find ourselves, brought to life by South African writer and producer Isaac Mogajane (Matwetwe, Catching Feelings) and Brazilian artist Santtos (SAMURAI DOGGY, Night Shift), LAND OF THE LIVING GODS will introduce you to a world of wonder and cruelty, beauty and perseverance - and will leave you profoundly changed.

ABLAZE is shining the spotlight on the wide variety of genres and fantastic works within our catalogue! Our second Spotlight on Horror includes three comic titles - He Who Fights with Monsters, Children of the Black Sun, and Life Zero - bundled together under a specially discounted price.

In He Who Fights with Monsters: The power struggle of WWII is in full force. In Prague, the great Bohemian city is being oppressed by the Nazi occupation and the population lives in terror, while the resistance forces try to organize themselves in the shadows. It is an almost impossible task. With the ruthless SS tightening their grip on every street and neighborhood with overwhelming might, only one hope feeds the struggle. In Children of the Black Sun: Over the years, a black sun has risen twice. A dark dawn whose rays have done terrible things to people's minds, driving them to all sorts of horror. In the town of Brightvale, a small group of these children, treated with particular contempt by their community, embark on a hallucinatory journey to discover themselves and their true nature. But is the black sun really about to return?

In Life Zero: Where were you when the cloud arrived? Where were you when the world changed forever? Where were you when people started dying? ABLAZE is proud to present Life Zero by Stefano Vietti (Dragonero) and Marco Checchetto (Daredevil, Avengers, Old Man Hawkeye,

Wolverine), with colors by Andres Mossa (Wolverine, Avengers, Secret Wars 2099). At the limits between science fiction, action and horror is LIFE ZERO! (STL373888) (C: 0-1-2)

In Iron Shadows in the Moon, a young woman in danger is pursued by her vile master. Conan, whose family has just been wiped out by this same master, puts an end to the beauty's pursuer, and saves her with a blow of his sword. Bound by fate, the couple decide to hit the road together. Their journey takes them to an island where they discover strange ruins inhabited by dark magic. Their paradise-like refuge soon turns into a suffocating nightmare where shadows lurk. Who knows the extent of the dangers that lie there? They will quickly learn that on an island, the biggest threat does not always come from the outside... Iron Shadows in the Moon reveals the genius of its author in describing universes as singular as they are mysterious. With her line, both delicate and powerful, Virginie Augustin illustrates this oppressive and mystical atmosphere, and gives the story a new graphic breath.

In The Man-Eaters of Zamboula, the Cimmerian finds himself in the land of a thousand and one nights! A crossroads of beliefs, languages and cultures, the mythical trading city of Zamboula is also the scene of many dark legends. Upon paying the city a visit, Conan is warned of the dangers of Aram

Baksh's home. It is said that most of the foreigners who stay there disappear under obscure circumstances...and it is precisely there that the Cimmerian is spending the night. But by lifting the veil on these mysterious cases of kidnappings, the Cimmerian will discover another secret, even more terrible, linked to the whole of the city of Zamboula... A story imbued with orientalism and macabre witchcraft, The Man-Eaters of Zamboula offers writer/artist Gess the opportunity to deliver his vision of Robert E. Howard's hero in a comic book story of exotic and dark beauty.

OLD GEEZERS HC VOL 02 (MR)

(W) Wilfrid Lupano (A/CA) Paul Cauuet

The geezers are back! An international bestseller, regularly topping the graphic novel bestseller lists across Europe - with hundreds of thousands of copies sold. Come find out why the geezers have won the hearts of so many...in this gorgeously illustrated, beautifully written graphic novel series.

The Old Geezers Vol 2 includes two new stories, featuring three septuagenarians who have been friends since childhood: Antoine, Emile, and Pierrot.

In "The One Who Got Away", things aren't looking so good for the Geezers... one of them's in the hospital, the other's been arrested, and the third one is dealing with leaky roofs, drowning sheep, and eggs he doesn't approve of. Two new characters make their appearance in this book, and through their stories we are taken to shark-infested waters and treasure-hunting in the Pacific, to village fairs, rugby matches, broken hearts, and behavior unbecoming neighbors-which continues to this day. Thank goodness young Sophie and her puppets are around to keep these old men in check.

And in "The Magician", peaceful country living consisting of leaky roofs, puppet shows, and drinks and arguments at the local tavern is disturbed when a rare species of grasshopper is discovered in a local field, and suddenly environmentalists, politicians, hunters, Big Pharma, union people, mushroom pickers and geriatric anarchists are all loudly fighting for what they believe is the right approach to things. In the midst of all this, one love story may be blooming in spite of a curse, another may be doomed for good and for poop, and questions of paternity arise yet again.

An EPIC FANTASY ADVENTURE For ALL AGES!

It's been 10 years since the men of the village left to fight in The Great War. Ten years since they left the women, children, and the older generation for a conflict far away from home and that they knew almost nothing about, except that it was about the security of their nation, their valley, their families. Ten years have passed since anyone has had any news of the war...

But the women quickly took charge of village matters. This is how the Order of Shepherdess Warriors was formed, a group of female fighters chosen among the most courageous and acrimonious, to protect not only their flocks, but also the village!

Molly is happy because as soon as she turns 10, she can finally start training, and if she's good enough, she can join the order and work out why there are more and more ferocious wolves in the valley. This quest will take her far beyond the boundaries of the land she knows, into the sorcerers' forest and on the trail of her missing parents.

Shepherdess Warriors is the odyssey of a young heroine living great adventures in a medieval-fantasy universe inspired by Celtic legends. An endearing story, suitable for most all ages, which gives pride of place to family and community ties, carried by warm, charming graphics and a scenario rich in humor with twists and turns.

O/A ZEROCALCARES ARMADILLO PROPHECY GN (MR)

(W/A/CA) Zerocalcare

The Armadillo Prophecy is Zerocalcare's debut OGN, and it's the story of how he coped with learning too late that a dear friend from his childhood had died, all while a giant armadillo represents his imaginary conscience. Dryly funny, witty, and inventive, it's a classic that has sold over 140,000 copies in Italy alone. Now in its 13th reprint, it is Zerocalcare's most popular title. Structured as a series of short stories that tie in to form a cohesive narrative, this is the seminal story that made Zerocalcare famous for his ability to write comedy with depth and elements of drama embedded in the plot. While it references Italian society, it's definitely a universal tale of loss, coping and coming of age.

Season 1 of Zerocalcare's original animated series "Tear Along the Dotted Line" debuted WORLDWIDE on Netflix in November of 2021. Season Two, "This World Can't Tear Me Down," premiered April 2023. Both can be streamed now on Netflix! (STL277944)

ZEROCALCARES FORGET MY NAME GN (MR)

(W/A/CA) Zerocalcare

Zerocalcare original animated series "Tear Along The Dotted Line" debuts on Netflix WORLDWIDE November 17th!

When the last vestiges of his childhood are taken from him, Zerocalcare discovers unsuspected secrets about his family. Torn between the soothing numbness of the innocence of youth and the impossibility to elude society's ever expanding control over people's lives, he'll have to understand where he really comes from, before he understands where he is going.

A story that was shortlisted for Italy's prestigious Strega literary award, a honor that was bestowed on a graphic novel only twice in the award's history. This is the book that has broken down the barrier between "real book" readers and graphic novel enthusiasts in Europe, having sold over 150,000 copies so far. (STL215455) (DEC211194)

ZEROCALCARES TENTACLES AT MY THROAT GN (MR)

(W) Zerocalcare

Tentacles at My Throat is a coming-of-age story set in three different moments of Zerocalcare's life: primary school, junior high, and his adult life. It is a complete story told in three parts; three moments that have in common that all-too-familiar feeling of having tentacles at one's throat.

Three friends, their schoolgrounds, and a secret. And fifteen years later, the discovery that they all thought there was only one secret, but each had their own. And there was one more, bigger than the others, that none were aware of.

This is Zerocalcare's second graphic novel, the one that made him stand out as an intelligent, delicate, merciless narrator when it comes to describing his own weaknesses, which could in fact be everyone's. An honest, touching, intense story with a bit of Stand By Me thrown in for good measure, it's the book that made Zerocalcare a national success story in 2012 in Italy. The book has been reprinted nineteen times since its initial release, surpassing the 120,000 copies sold mark.

Zerocalcare's original animated series "Tear Along the Dotted Line" debuted on Netflix WORLDWIDE November 17, 2021. Season Two currently in production! (STL237380) (OCT221290)

Hollow's long-awaited sequel is here! It's been a quiet, perfect winter so far in the town of Sleepy Hollow. Izzy and Vicky's relationship is amazing... except for some disastrous dates, which don't mean anything...right? (Right?!) And best friends Croc and Leon are rock-solid, trying to make a hit out of their new ghost-hunting web series...until jealousy springs up and threatens to ruin things with Croc's girlfriend Marjorie (and maybe things between him and Leon, too-if only Croc would notice). Then, in a string of spooky events, Leon vanishes near Raven Rock, a spot made famous by hundreds of years of sinister legends. Luckily, the friends have a history of solving supernatural riddles, and help from their own ghostly ally—the Headless Horseman of the Hollow himself! But the longer Leon is missing, the more dire things seem. And the deeper the friends get into the mystery of Raven Rock's most famous ghost, the Woman in White, the more they realize they may be up against a force none of them are able to defeat...

BENEATH TREES WHERE NOBODY SEES RITE OF SPRING #1 CVR C (MR)

(W/A) Patrick Horvath (CA) Riley Rossmo

It's been eight long years since a bloodlusting brown bear drove into the city, kidnapped a kind young duck, dissected his body, and buried the pieces in the woods. The duck's family painstakingly sought justice... but this brown bear was smart... she covered her tracks... and in the '80s, there simply wasn't a way for the duck's family to find answers. But it's not the '80s anymore. Almost a decade after cuddly brown bear Samantha Strong solidified herself as the sole serial killer in Woodbrook, the world is entering a new era. CAPE OMNIBUS TP (MR)

(W) Jason Ciaramella, Joe Hill (A) Zach Howard, Nelson Daniel

Read all three graphic novels based on New York Times best-selling author Joe Hill's short story "The Cape," collecting The Cape, The Cape: 1969, and The Cape: Fallen. Every little boy dreams about putting on a cape and soaring up, up, and away... but what if one day that dream were to come true? Eric was like every other eight-year-old boy, until a tragic accident changed his life forever. The Cape explores the dark side of power, as the adult Eric—a confused and broken man—takes to the skies...

and sets out to exact a terrible vengeance on everyone who ever disappointed him. The Cape: 1969 goes back in time to the Vietnam War when Eric's father, Captain Chase, a medevac helicopter pilot for the U.S. Army, is shot down over enemy territory. He and his crew are in a fight for their lives as they play a deadly game of cat and mouse with the Vietcong... but they soon learn that machine guns and grenades aren't the only terrors hiding in the jungle. In The Cape: Fallen, uncover new folds in Hill's cautionary anti-superhero tale with a story that takes place between the scenes of the original series. (STL373093)

(W) Steve Ryfle, Ed Godziszewski

Godzilla: The First 70 Years is a narrative and visual history of Japan's King of the Monsters, chronicling the triumphs, challenges, and meaning of seven decades of city-trashing, kaiju-smashing mayhem. It is also a tribute to Godzilla's creators and costars—the filmmakers, special-effects wizards, cast members, even the stuntmen inside the monster suit—and an appreciation of the behind-the-scenes artistry involved in bringing Godzilla to cinematic life, then and now. Yangchen's inexperience may prove to be her greatest asset... Plagued by the voices of Avatars before her for as long as she can remember, Yangchen has not yet earned the respect felt for Avatar Szeto, her predecessor. In an era where loyalty is bought rather than earned, she has little reason to trust her counsel. When Yangchen travels to Bin-Er in the Earth Kingdom on political business, a chance encounter with an informant named Kavik leads to a wary partnership. Bin-Er is a city ruled by corrupt shang merchants who have become resentful of the mercurial Earth King and his whims. To extract themselves from his influence, the shangs have one solution in mind: a mysterious weapon of mass destruction that would place power squarely in their hands. As Yangchen and Kavik seek to thwart the shangs' plan, their unlikely friendship deepens. But for Yangchen to chart her course as a singularly powerful Avatar, she must learn to rely on her own wisdom above all else.

The official prequel novel to the hit Umbrella Academy series on Netflix, starring a teenaged Umbrella Academy in an original, darkly comic adventure! The Umbrella Academy has always been extraordinary—ready to leap to superpowered action at a moment's notice. But the only thing Luther, Diego, Allison, Klaus, Ben, and Viktor want is to be normal... which is much easier said than done, when you're raised by someone like Hargreeves. Klaus suggests that they all need a change of scenery—just one night of partying like a bunch of average teens. In fact, Klaus knows just the place; there's a frat house in a neighboring college town that throws weekend blowouts. What could go wrong? They soon realize sneaking out of Hargreeves's house—er, fortress—is the least of their concerns. When the six teens pledge not to use their powers under any circumstances, they fail to factor in the sheer force of teen drama. Faced with weird earthquakes, weirder partygoers, and a possible new foe, the Umbrella Academy must choose between the night they always dreamed of and an unexpected mission that may save the world! BLOODY MARY GRAPHIC BIOGRAPHY HC (C: 0-1-1)

(W/A) Kristina Gehrman

The story of Mary Tudor—oldest child and daughter of Henry VIII and Catherine of Aragon, sister to the famous Elizabeth I—as never told before. A chronological telling of Mary's life as "told" by her spans her magnificent life, starting from her "first memory" at the age of two to becoming the first queen to inherit the throne of an England in disarray. Once rejected at birth, Mary was certain the cause of suffering was her subjects' rejection of the one true faith: Catholicism. Her zealous campaign to re-Catholicize England was unrelenting in its brutality, re-christening her, "Mary, the Bloody." The Tudors famously used fine art to define their reign. Using expressive line work and lush watercolor, German graphic novelist fittingly teases the painterly allure of royalty as she reveals the stark loneliness of the crown. Gehrman pulls from real quotes from historical documents and letters along with dramatizations of known historic events. These details immerse us in Mary I's epic life from her volatile childhood to her tragic demise, rendering a stunning portrait of a "bastard queen" losing her grip on power. (STL370946) (C: 0-1-1)

(W/A) Tauhid Bondia

In this new book of Crabgrass comic adventures featuring best friends Miles and Kevin, the friends experience the highs and lows of school life and the surprising complexity of friendship. After Kevin experiences a surprise case of lice, Miles shaves his head in solidarity and accidentally winds up becoming the cool kid at school—a disorienting change from their usual family dynamic. When Thanksgiving arrives, Miles and his dad decide to take over the kitchen. What could possibly go wrong? *The World is Lava* is a poignant exploration of friendship, loyalty, and the sometimes bumpy road of growing up. With its blend of sharp humor, relatable characters, and colorful comic artwork, this graphic novel captures the thrills and perils of the world as experienced by two preteen boys. Poe was only a little monster when the hunters came for her parents. If it weren't for one of the hunters taking pity on her, she knows she'd have met the same fate, too.

Ten years later, Poe lives with her two "siblings"—more monster kids in hiding—Rice and Shelley. Under her protective eye, Poe makes sure that the siblings have everything they need, but Rice and Shelley want more out of life than running away. So when their most recent home is slated to be demolished by a real estate group, the monster kids venture out to find their place, and end up getting whisked away to a Halloween party that changes their lives. MORPHENOMENAL HOW POWER RANGERS CONQUERED THE WORLD SC (C: 0

(W) Joshua Moore

When it first appeared on American television sets in 1993, Mighty Morphin Power Rangers was like nothing else on TV. The brainchild of Israeli music producer Haim Saban, the show stitched together segments from the Japanese children's program Super Sentai with newly recorded live footage, and its unexpected popularity quickly anchored Fox's daytime programming block and further cemented the network as a innovative pop-culture powerhouse. Three decades later, Power Rangers is a pop-culture icon and a billion-dollar franchise. The show regularly premiered episodes on U.S. networks through December 2021, after which streaming juggernaut Netflix brought new airings under the "exclusive" umbrella on its platform. Netflix and Hasbro, current rights-holder of the brand, also announced in late 2021 the development of a Power Rangers TV and film "universe" spearheaded by Jonathan Entwistle. In Morphenomenal, journalist and lifelong Power Rangers fan Joshua Moore delivers readers a deeply researched narrative history of Power Rangers, from its inception to the

present day, and offers comprehensive retellings and analysis of milestone moments for the brand and show, as well as insights into its still-thriving toy line and an adult fandom that yearns for its favorite spandex-wearing superheroes to share a bigger piece of the spotlight with the likes of Batman and Wonder Woman. Daniel Way introduces a naval captain and his crew as they attempt to survive the plague of insanity spreading across the globe in "Grave New World." He's a shrewd man and watching the monsters has given him an insightful plan for saving those in his charge. But whether it is inspiration or insanity, the crew still faces the gleeful misery of the Crossed. And Simon Spurrier returns to tell a tale set in the infected outback. Todd drives a road train through the desolate Australian desert. Before C-day he was a loser, an outcast, a fat nobody with a nobody-job. Now he's an Emperor of the wasteland. His rig and its trailers are the safest place around: stocked to the brim with canned food and gasoline. But his desire to have a harem who worship him opens himself up to the true horrors of the outback. Spurrier brings his trademark flare for developing intricately flawed characters to a story that will haunt your dreams for years to come. In a world of Crossed...there is no hope and

there is no help. There is only the Crossed. This volume collects Crossed: Badlands #44 - 49 and the Crossed Special 2013. Also available in Hardcover. (STK641131) (APR140893)

(W) Garth Ennis (A/CA) Christian Zanier

GARTH ENNIS returns to the horrifyingly brutal world he created with a story that fans have waited over five years for! The Crossed outbreak created a miserable grueling world of monsters that dash out all hope of survival and ensures a terrifying end to everything in their path. For the first time, master storyteller Garth Ennis takes you back to the early days of outbreak and delivers the unexpected - a patient zero tale. With the outbreak spreading like wildfire across the globe, a group of soldiers attempt to piece together how the disease spread so quickly and to reverse the horror they see taking place in the streets. And as they struggle to catch up with events, a fleet of nuclear-armed planes carry the extinction of the human race as they race towards America, with only one British flight crew to stand in their way. No one can deliver this level of poignant horror like Garth Ennis. In a world where there is no help and there is no hope...there is only the Crossed. (W) Justin Jordan, Simon Spurrier (A) Rafael Ortiz, Georges Duarte (CA) Christian Zanier

The Crossed universe is an unyielding nightmare vision of animal depravity and homicidal insanity. In this volume, two of the industry's best new talents come together to tell very different stories of despair. Simon Spurrier takes you to a picturesque environment in the English countryside with tweeting birds, friendly vicars, crumpets and jam, and a mob of Crossed lurking near the duck pond. No one sees Wheezy the fat asthmatic kid hiding up in the old tower but if he shows his face it will only be the farmer's wife between him and a bloody fate. The problem is, she's Crossed too. And newly-Crossed Justin Jordan tells his first diabolical tale as two women attempt to escape the band of monsters out for their blood. When a mysterious unseen Samaritan helps them escape to a sanctuary it seems as though they've found what little safety there is in the new world order. But trusting anyone in the world of Crossed usually leads to a gut-wrenching and miserable end. When a Japanese mobster's daughter is trapped at a cosplay convention on C-Day, the criminals learn the hard way that in a Crossed world it doesn't matter how tough you are...just how fast you run. And Justin Jordan locks us in our nightmares with a visceral tale that takes us to Federal Prison. Jesse Bullock is not a good man, but a very hard man. Down for armed robbery and assault, the only crimes they were able to prove, he has but one good quality: he loves his cousin Otis. When they end up imprisoned at the same jail, Jesse intentionally gets himself denied parole to make sure he's there to protect Otis, who isn't the sharpest tool in the shed. Kieron Gillen (Uber, Wicked & Devine) takes the horrors of the Crossed back to the ancient past where 75,000 years ago humanity came as close as it has ever come to being purged from the Earth. There were as few as 2000 humans remaining. This is historical fact. Why it came to this is generally blamed on super-volcano Toba causing a minor ice-age. But that's not the full story. That is not the history of the Homo Tortor, i.e. Man The Torturer. This empire before the beginning of time, that sends raiding parties gathering other Homo species and enormous mega-fauna, invented cruelty, refined domination, and perfected killing. Alan Moore, master and magician of storytelling, tears back the veil of one of the most arcane of enchantments -- The Magic of Television. Part grimoire, part grim invocation of things that are all too ordinary, this beautiful 48-page novella is stunningly painted by Felipe Massafera. Maureen Cooper is not real. She is an apparition summoned to screens, into homes, into the hearts and mind of the viewing audience by Carol Livesly. But Carol Livesly is not the god that creates the illusions that capture the mind and bind the soul. She is only a servant of a higher power. A higher, hungry power, as old as the world and eternally new. As, perhaps, are we all... LIGHT OF THY COUNTENANCE, an original and breathtaking story by Alan Moore, has been adapted to graphic novella format by Antony Johnston preserving every word, and each page has been painstakingly painted by Felipe Massafera to create this comics masterpiece. FREAKANGELS HC VOL 02 (MR)

(W) Warren Ellis (A/CA) Paul Duffield

Volume Two of award-winning author Warren Ellis' ongoing web comic, Freakangels, is here! his installment collects the entire second arc of the post-apocalyptic saga into 144 gorgeous, full-color pages. Twenty-three years ago, twelve strange children were born in England at exactly the same moment. Six years later, the world ended. Today, eleven strange 23-year-olds are living in and defending Whitechapel, maybe the last real settlement in flooded London. They've made a new friend, and together they successfully defended their home from raiders - but the post-apocalyptic drowned London that the eleven Freakangels survive in is never a safe place, and never surrounded by friends. Night has only just fallen, but strangers already creep through Whitechapel with the worst of intentions and the weapons to see them through. In Freakangels: Volume Two, we discover just how bad the situation in sunken England has become, and we meet the last of the eleven strange

Freakangels. But the twelfth, sinister Mark, is still out there somewhere. Ellis' ongoing story of a flooded London is beautifully illustrated in jaw-dropping detail by Paul Duffield, and every page is as much a work of art as it is a compelling and multi-layered story. This installment collects the entire third arc of the post-apocalyptic saga into 144 gorgeous, full-color pages. Twenty-three years ago, twelve strange children were born in England at exactly the same moment. Six years later, the world ended. Volume Four of award-winning author Warren Ellis' ongoing web comic, FREAKANGELS, is here! by friends. In fact, there's a serial killer stalking in their midst, and one of their own has broken their most valued rule. In FREAKANGELS: VOLUME FOUR, as the clan faces danger from nearly every direction, it's time to really take a look at what happened six years ago. Back when there were twelve FREAKANGELS. Back when they were all running for their lives. Because a lot of things have changed, but maybe not as many as they thought... O/A GRAVEL HC VOL 01 BLOODY LIARS (MR)

(W) Warren Ellis, Mike Wolfer (A) Raulo Caceres, Oscar Jimenez (CA) Oscar Jimenez

William Gravel carves a bloody path of death in his first full-color collection! Gravel Volume 1 features the first eight issues (#0-7) of this on-going series from Warren Ellis and co-writer Mike Wolfer with art by Raulo Caceres and Oscar Jimenez, as well as a special cover gallery! Long-buried and lost in antiquity, a unique book of magic once existed, filled with such extraordinary and arcane spells, supernatural rites, and inherent power that its possessor would be either unequaled, or driven irrevocably insane. Recently unearthed, the Sigsand Manuscript has been divided into six pieces and distributed among the Minor Seven, Britain's great Occult Detectives. With the Sigsand in

their grasp, the Seven now wield more power than they were ever meant to possess - and William Gravel is not happy about it. Once a member of their Order but unceremoniously replaced within their ranks, the SAS Sergeant Major and Combat Magician is on a mission of revenge, redemption, and quite possibly rebirth, as he takes on the members of the Minor Seven one-by-one. And God help each of Gravel's former colleagues should they decide not to relinquish their sections of the Sigsand to the one man who might have the supernatural skills and restraint to use the reconstituted manuscript without accidentally destroying the Earth in the process. They all promised to use the unholy power wisely, but Gravel knows they are all Bloody Liars! Available in a standard Softcover and a limited edition Hardcover, of just 1,500 copies, both with all-new covers by Oscar Jimenez. (STK390669)

(W) Warren Ellis, Mike Wolfer (A) Jacen Burrows & Various (CA) Mike Wolfer

This second color volume of Warren Ellis' and Mike Wolfer's on-going adventures of Combat Magician William Gravel is now available, collecting issues 8 through 14 of the series. After carving a bloody path through his fellow members of the Minor Seven, the last thing Sergeant Major William Gravel expected was to be welcomed with open arms into a much more prestigious ensemble: The Major Seven. But enlistment as the newest recruit among the Master Magicians of England comes with a price, and a penance. Before Gravel can fully gain acceptance within their ranks, the Major Seven have two tasks for him. The first, to reform the Minor Seven, whom he personally crushed with his own hands. The second, to uncover the murderer within the Major Seven who killed one of their own, the woman whose place Gravel will fill if he completes his inaugural assignments. Trouble is, the six remaining members of the Major Seven are just like the Minor Seven, a pack of bloody liars. And before he's done, the seasoned Combat Magician will make it very clear to the overseers of Britain's occult hierarchy that a penance, and a price, is not only his burden to endure. This second collection features an all-new cover by Mike Wolfer and is also available as a Hardcover edition with an exclusive cover by series artist Mike Wolfer that is limited to just 2000 copies. GRAVEL HC VOL 03 LAST KING OF ENGLAND (MR)

(W) Warren Ellis, Mike Wolfer (A/CA) Mike Wolfer

It's never a dull day, being the last king of Britain's magicians, and before this bloody day is through, Combat Magician William Gravel will be rocked to the foundations of his beliefs and powers of the occult. After his systematic and murderous elimination of the members of both the Minor Seven and the Major Seven, Gravel now stands supreme, but being the King is not as glamorous as it sounds.

He's reformed the Minor Seven, filling their ranks with young, working-class occult detectives, but their powers and Gravel's own leadership skills are about to be put to the test when a twisted, demented magician who didn't make the cut decides to show Gravel the error of passing him up for selection. To complicate his life even further, the British Government is breathing heavily down Gravel's neck as the body count of innocent British citizens rises. But is Downing Street's concern solely for public safety related to Bible Jack's terrorist attacks on London, or is it something more politically-motivated? Collecting issues 15-21 of the Gravel series, this incredible and violent chapter in the Gravel saga completes the three-part story arc that began in GRAVEL VOLUME 1: BLOODY LIARS and continued in GRAVEL VOLUME 2: THE MAJOR SEVEN. Available as both a soft cover and hard cover edition, limited to 1500 copies, each with new covers by series artist Mike Wolfer. (STK427602) (SEP100804)

(W) David Lapham, David Hine (A) Jacen Burrows, Eduardo Vienna (CA) Jacen Burrows

Journey back to the earliest days of the Crossed outbreak, when an outbreak of viral insanity first plunged an unsuspecting world into darkness, in two tales scribed by the masters of modern horror, David Lapham and David Hine! In high school, Edmund earned his nickname "Yellow Belly" by running away and hiding whenever confronted by conflicts or fears. But when the Crossed infection ignites at a local circus, perhaps it's that very same cowardice that will save him in the end! Meanwhile, a group of self-centered and hedonistic college kids head to a writer's retreat to explore their inner selves... but end up surrounded by berserk killers. What depths will they sink to in order to survive? This volume collects Crossed: Badlands #10 - 18. (STK524614)

O/A FREAKANGELS HC VOL 02 ELLIS & DUFFIELD SGN ED (MR)

(W) Warren Ellis (A/CA) Paul Duffield

Volume Two of award-winning author Warren Ellis' ongoing web comic, Freakangels, is here! his installment collects the entire second arc of the post-apocalyptic saga into 144 gorgeous, full-color pages. Twenty-three years ago, twelve strange children were born in England at exactly the same moment. Six years later, the world ended. Today, eleven strange 23-year-olds are living in and defending Whitechapel, maybe the last real settlement in flooded London. They've made a new friend, and together they successfully defended their home from raiders — but the post-apocalyptic drowned London that the eleven Freakangels survive in is never a safe place, and never surrounded by friends. Night has only just fallen, but strangers already creep through Whitechapel with the worst of intentions and the weapons to see them through. In Freakangels: Volume Two, we discover just how bad the situation in sunken England has become, and we meet the last of the eleven strange Freakangels. But the twelfth, sinister Mark, is still out there somewhere. Ellis' ongoing story of a flooded London is beautifully illustrated in jaw-dropping detail by Paul Duffield, and every page is as much a work of art as it is a compelling and multi-layered story. Desperation is the currency of the hour with no end in sight to the horrors of enhanced human warfare. Kieron Gillen, Daniel Gete, and Canaan White spin a new chapter of fear and genocide in the pages of the most devastating war coming being published. And the origin and first missions of Sieglinde and the German Battleships are declassified and illustrated by Gabriel Andrade! The German war machine has been developing the most powerful weapons ever fashioned. Their Battleship class Ubers are like living atom bombs annihilating every obstacle in their paths. But they were once humans, and it takes more than power to make a monster, so what could have forged such cold, murderous beasts? The past is revealed as we see the genesis of the German Battleships in this groundbreaking alternate history war story! WAR STORIES TP VOL 03 (MR)

(W) Garth Ennis (A) Matt Martin & Various (CA) Matt Martin

This volume of Garth Ennis' powerful War Stories series features tales ripped from the pages of history itself delivering a horrifying and riveting look at some of the most brutal battles throughout time. This essential tome includes three stories of battle written by Ennis and illustrated by Thomas Aria including: "Castles in the Sky": A horrifying tale of early bomber pilots and their incredibly difficult missions during wartime. Thrust into the sky with a new team of soldiers these brave men learn quickly the horrors of aerial combat over the skies of Germany. With art by Matt Martin and Keith Burns; "Children of Israel": In 1973, the Golan Heights was the home to the most brutal tank warfare in history. As a young nation of Israel faced the imposing forces of the Syrian army, the true mettle of these soldiers would be tested as never before. With art by Tomas Aira. "The Last German Winter": February 1945: as the Soviet war machine crashes into eastern Germany on a tidal wave of carnage and revenge, a mother and her children join the flood of refugees struggling to stay ahead of the invaders. But the realities of battle are dreadful to behold, and what the little family find waiting

for them is deadlier than any mythical dragon. Worse still, the strange figures who appear from the deep woods are far from being knights in shining armour — and in these dark times, the price of salvation may just be too much to bear. With art by Tomas Aira. This volume collects War Stories #1-9 of the ongoing comic book series. (STK690649) (OCT151139)

WAR STORIES TP VOL 04 (MR)

(W) Garth Ennis (A/CA) Tomas Aria

Garth Ennis' visionary series reaches deep into the recesses of history and finds the most spine chilling tales of conflict and war throughout the modern era. This new volume delivers powerful stories that illustrate the horror and humanity within the violence and misery. In this tome are two stories written by Ennis and illustrated by Thomas Aria including: Our Wild Geese Go: "T'was England bade our wild geese go, that small nations would be free..." In the Second World War, any Irishman wanting to fight the Nazis had to join the British army- the Republic of Ireland having declared neutrality when the war began. Now, a small unit of Irish soldiers join the advance into Germany- where the going is rough and the enemy nowhere near surrender. And old tensions remain from Ireland's own struggle for independence, as well as the bloody civil war that followed. The Tokyo Club: How do you join The Tokyo Club? Simple. You climb into your single seat, single engine fighter-loaded with fuel and ammunition- and fly 700 miles across the open Pacific until you reach the mainland of Japan. There you fight off any enemy aircraft attempting to hit the American bombers you're escorting to their targets. Still alive? Now comes the fun part. You fly another 700 miles back home to your airstrip on Iwo Jima, fuel running lower and lower, nothing but ocean for miles around. Any battle damage you've suffered will reduce your chances even further. Make it back and you're in the club. And more good news: you get to do it all again tomorrow. This volume collects War Stories #10 - 15 of the ongoing comic book series. (STK692349) (FEB161162)

ALAN MOORE LIGHT OF THY COUNTENANCE GN (MR)

(W) Alan Moore (A) Antony Johnston, Felipe Massafera (CA) Felipe Massafera

Alan Moore, master and magician of storytelling, tears back the veil of one of the most arcane of enchantments — The Magic of Television. Part grimoire, part grim invocation of things that are all too ordinary, this beautiful 48-page novella is stunningly painted by Felipe Massafera. Maureen Cooper is not real. She is an apparition summoned to screens, into homes, into the hearts and mind of the viewing audience by Carol Livesly. But Carol Livesly is not the god that creates the illusions that capture the mind and bind the soul. She is only a servant of a higher power. A higher, hungry power, as old as the world and eternally new. As, perhaps, are we all... LIGHT OF THY COUNTENANCE, an original and breathtaking story by Alan Moore, has been adapted to graphic novella format by Antony Johnston preserving every word, and each page has been painstakingly painted by Felipe Massafera to create this comics masterpiece. Available in a standard Softcover and a limited edition Hardcover, of just 2000 copies, both with covers by Massafera. (STK384494) (NOV083804)

DO ANYTHING VOL 01 (MR)

(W) Warren Ellis (A/CA) Jacen Burrows

From Warren Ellis, the award-winning author, comics creator and popular columnist (and who is currently writing the screenplay for the film adaptation of the comics series GRAVEL, also published by Avatar Press), comes a collection of the most mind-bending columns you've ever read: DO ANYTHING. DO ANYTHING VOLUME ONE: JACK KIRBY RIPPED MY FLESH collects the first 26 chapters of Ellis' text masterpiece and is a grand tour through comics & culture as seen through a burgled robot head. The robot head of Jack Kirby lives on Warren Ellis' desk. It knows everything and is connected to everything. You must obey the robot head of Jack Kirby. There are many ways to look at comics. In this book, we see the medium through the hazy android eyes of Jack Kirby (actually the stolen and repurposed head of the missing Philip K Dick robot, which Mr. Ellis confesses to swiping off the back of a plane), taking a rattling ghost-train ride through the history of comics. David Bowie, the CIA, mad architects, Will Eisner, Frank Zappa, Tintin, the designer of Skylab, a train station in Paris, Arthur C. Clarke, the circus, the Black Panther Party and William S. Burroughs: all of these things are connected by Jack Kirby, all part of the secret history of comics, and all illustrating the special nature of the medium as the place where you can do anything. The continuing DO ANYTHING column, from which this book is derived, can be found every Tuesday at <http://www.bleedingcool.com>. (STK411986) (FEB100700)

WARREN ELLIS FRANKENSTEIN'S WOMB GN (MR)

(W) Warren Ellis (A) Marek Oleksicki (CA) Felipe Massafera

The newest addition to Warren Ellis' Apparatus line of original graphic novels has arrived! 1816 was called "The Year Without A Summer." In the weird darkness of that July's volcanic winter, Mary Wollstonecraft Godwin began writing Frankenstein on the shore of Lake Geneva in Switzerland. But that is not where Frankenstein began. It began months earlier when, en route through Germany to Switzerland, Mary, her future husband Percy Shelley, and her stepsister Clair Clairmont approached a strange castle. Castle Frankenstein, some one hundred years earlier, had been home to Johann Conrad Dippel, whose experiments included the independent invention of nitroglycerin, a distillation of the elixir of life - and the transfer of a live soul into an awful accretion of human body parts. Mary never spoke of having entered the real Castle Frankenstein, stark on its hilltop south of Darmstadt. But she did. And she was never the same again - because something was haunting that tower, and Mary met it there! Fear, death and alchemy - the modern age is created here, in lost moments in a ruined castle on a day never recorded. Following up the huge successes of Crecy and Aetheric Mechanics, Ellis turns his spark of mad genius to bring us a fantastical tale in this all new original graphic novel illustrated in atmospheric perfection by newcomer Marek Oleksicki. Also available in a Direct Market exclusive Hardcover edition limited to just 1,000 copies. (STK381710) (APR090689)

Together with a dragon who can't breathe fire and a dung beetle with delusions of grandeur, Punycorn is on a mission to save a friend. HE ROLLED ME UP LIKE A GRILLED SQUID HC (MR) (C: 0-1-2)

(W/A/CA) Yoshiharu Tsuge

A manga icon's most perplexing, transgressive, and astounding work of horror and surrealism. By the mid-1970s, Tsuge Yoshiharu was a man changed by circumstance—something his work from 1975 to 1981 boldly reveals. The confusion and mental illness simmering beneath the surface of his more surreal works come to a rolling boil, reaching an unsettling and horrific crescendo in a series of nightmarish delusions. *He Rolled Me Up Like A Grilled Squid* captures a mid-career author taking stock of his anxieties and suspicions while connecting the dots between his seemingly monotonous present and his complicated past. Now in paperback with a new cover, *Goliath* is a retelling of the classic myth, this time from Goliath's point of view. Simultaneously tragic and bleakly funny, *Goliath* displays a sensitive wit and a bold line—a traditional narrative reworked, remade, and revolutionized into a classic tale of Gauld's very own. The lunar colony is slowly winding down, like a small town circumvented by a new super highway. As our hero, the Mooncop, makes his daily rounds, his beat grows ever smaller, the population dwindles. Nejishiki unveils the most iconic scenes from Yoshiharu Tsuge's highly respected body of work alongside his most beloved stories. Tsuge's stories abruptly cross the threshold of conventional storytelling. Unassuming protagonists venture further into eerie symbolism against a shadowy, perceptibly dreamlike landscape easily mistaken for the real world. The angst that pervades postwar Japanese society threatens to devour his characters and their pastoral sensibilities as each protagonist's wanderlust turns surreal. (STL277799)

HATE REVISTED GN (C: 0-1-2)

(W/A) Peter Bagge

Legendary cartoonist Peter Bagge triumphantly returns to the series that defined a generation with this all-new Hate graphic novel.

Buddy Bradley and Lisa Leavenworth, now middle aged with a free-spirited young adult of their own, confront their own poor decisions as young people in the grungy 1990s. Expertly shifting between the present day (in full color) and their Gen X heyday (in glorious, crosshatched black-and-white), we learn for the first time the story of how Buddy met Lisa, Stinky, George, and Val. Meanwhile, Buddy is forced to come to terms with the tragic - and covered-up - circumstances of Stinky's untimely death in the original Hate series, while navigating elder care, contemporary politics, family and friendships.

Hate Revisited! expertly showcases Bagge's inimitable humor and knack for character, and the generational shift lends an unexpected gravitas to their lives. While the original Hate is indelibly rooted in a key pop cultural era, the themes and characters of Hate remain timeless. Misanthropy never gets old! (STL372713) (C: 0-1-2)

LOST MARVELS HC VOL 02 HOWARD CHAYKIN VOL 1 (C: 1-1-2)

(W) Neal Adams & Various

Collected as part of our new Lost Marvels series, collaboratively produced with Marvel Comics, this new Howard Chaykin-centered volume of smartly imaginative scripts and beautifully designed art features Dominic Fortune, Monark Starstalker, and Phantom Eagle!

When Howard Chaykin broke into comics in the 1970s, there was nothing quite like him. His original characters Dominic Fortune and Monark Starstalker took classic pulp heroes and ran them through a postmodern blender. This new volume contains retro-science-fiction bounty hunter Monark Starstalker's debut appearance and all Chaykin's color-comic-book Dominic Fortune stories, including the character's unexpurgated Max series, published a generation later. Completing the package is the collision between pulp heroism and the devastating, bloody realities of World War I in Chaykin's 111-page collaboration with The Boys writer Garth Ennis on War Is Hell: The First Flight of the Phantom Eagle. The collection is introduced by author and comics scholar Brannon Costello. This second title in Fantagraphics' Lost Marvels series collects some of the most exciting, sought-after work by Howard Chaykin from 1975 to 2008. O/A LOST MARVELS HC VOL 01 TOWER OF SHADOWS (C: 1-1-2)

(W) Neal Adams & Various

The never-collected horror anthology series featuring stories by Jim Steranko, Neal Adams, Barry Windsor-Smith, Stan Lee, John Buscema, and other Silver Age masters.

In 1969, with its revolutionary superhero line well established, Marvel took a chance on the kind of supernatural, EC-style anthology series that had been banned since the formation of the Comics Code in the 1950s. Tower of Shadows featured a staggering array of artists and writers, including Neal Adams, Jim Steranko, Barry Windsor-Smith, John Buscema, Gene Colan, Wally Wood, Stan Lee, Roy Thomas, John Romita, Johnny Craig, Marie Severin, Gerry Conway, and Bernie Wrightson, to name a few. Freed from the conventions of the superhero adventure, these creators brought their storytelling skills to a more quietly sinister genre, producing atmospheric gems of twisted suspense and sardonic horror.

Not only do these nine issues feature Marvel's best creators working at their peak, but Tower of Shadows is one of the lost, never-collected Marvels. In the first of a new series of Lost Marvels, Fantagraphics and Marvel join forces to introduce these pages to a new generation of readers and restore this series to its rightful place in comics history. This gorgeous volume brings every Tower of Shadows story and cover to life in vivid color and features background and analysis by comics journalist Michael Dean. (STL343271) (C: 1-1-2)

BRAIN DAMAGE HC (MR) (C: 1-1-2)

(W/A) Kago

From the brilliant and twisted mind of manga artist Shintaro Kago, a new collection of short stories rife with skin-crawling suspense, visceral body horror, and pitch dark-humor.

In 2018, manga artist Shintaro Kago made his English debut with *Dementia 21*, a collection of absurdist manga short stories. Readers found themselves delighted and disgusted by his penchant for body horror, black comedy and the surreal paired with his emphatic, kinetic art style. Kago returns at the height of his powers with *Brain Damage*, where he dials up the gore and absurdity to new heights.

Brain Damage collects four new short manga stories, a tantalizing blend of the hilarious and the macabre. In "Labyrinth Quartet," four identical young women trapped in an eerie building must solve the mystery of why they've been gathered there - while being hunted by a knife-wielding stalker. In "Curse Room," a plucky health aide is tasked with keeping zombies peaceful, lest they go on a brain-eating rampage. In "Family Portrait," people throughout town are strangely disappearing without a trace, and the key to it all is a senile and perverted old man. Finally, in "Blood Harvest" a series of gruesomely mangled bodies are found in pristine cars - and it appears something sinister lurks within these masses of glass and steel. (STL372715) (C: 1-1-2) NOTE: Available only in US, Canada, and US territories.

But what seems like a simple, straightforward job quickly turns into a series of increasingly surreal and bizarre adventures that put Yukie's wits to the test! Shintaro Kago is well known for combining the traditional manga style with a hyper realistic illustration technique and an adventurous storytelling approach to create his own genre referred to as "fashionable paranoia." All of his trademark virtues (and vices) are on full display in these darkly comedic tales that strain the bounds of the imagination. (STL275012) (FEB238685)

SOCIETY IS NIX HC (C: 0-1-2)

A revised and expanded edition of the Eisner-nominated book on the earliest American comics, with over 200 classic strips, by over 75 cartoonists: the "Founders of the Funnies."

"Mit Dose Kids, SOCIETY IS NIX!" So said The Inspector about the Katzenjammer Kids. But he could have been speaking of all comic strips in their formative years in the early 1900s. From the very first color Sunday supplement, comics were a driving force in newspaper sales, offering a wild parody of the world and the culture found in the surrounding pages. Society didn't stand a chance!

These are the origins of the American comic strip, born at a time when there were no set styles or formats, when creators had the freedom to experiment, when artistic anarchy helped spawn a new medium. The genesis of comics is laid out in a dozen essays by the greatest in their field-historians like Thierry Smolderen, Brian Walker, Alfredo Castelli, Bill Kartalopoulos, Paul C. Tumey and others. And in the second, revised edition of this seminal collection: over 200 comic strips! The earliest comics by acknowledged greats like R. F. Outcault, George McManus, Winsor McCay, and George Herriman, along with creations of more than fifty other superb cartoonists, known and unknown.

The classic strips, most not printed in over 100 years, are presented in their original colors at the incredible oversized format Sunday Press is known for: all the better to see the comics that would inspire the next century of comics to come! (STL372718) (C: 0-1-2)

THIMBLE THEATRE & THE PRE-POPEYE COMICS OF EC SEGAR HC (C: 0

(W/A/CA) E. C. Segar

A revised and expanded edition of the Eisner Award nominated classic collection, featuring a new 4-page, all Segar Sunday section.

More than a decade before he created the world's most famous cartoon sailor, Elzie Crisler Segar began his comics career in the movies. He drew cartoons for silent movie theater slides, the Charlie Chaplin comic strip, and a daily strip about Chicago's movies and entertainment. Then, in 1919, he penned his own "small screen" creation for the newspapers,

Thimble Theatre, where Popeye was to be born a decade later.

This comprehensive volume features examples of all E.C. Segar's early comics and illustrations, with over 100 pre-Popeye Thimble Theatre Sunday pages including the complete run of the famed Western desert saga, a series that rivals his later work in superb art, storytelling, and humor.

Newly revised and expanded, this new printing contains ten additional pages plus a 1920s-style Sunday comics section insert paying tribute to Segar and his comic creations featuring Charlie Chaplin's Comic Capers and Popeye's "The Jeep."

Text and illustrations offer an in-depth history and commentary on the life and work of E. C. Segar by historians Paul C. Tumey and Jeet Heer, and best-selling author and journalist Michael Tisserand. Thimble Theatre is an essential part of any comics lover's library. (STL306144) (JAN241653) (C: 0-1-2)

Thirty years ago, a trading card series was released that would forever change the non-sport card industry—the 1992 Marvel Masterpieces. Nothing like it has been seen before or since. Each of the 104 paintings have become iconic portrayals of the great Marvel characters, and these cards hold such a special place in the hearts of collectors of all ages—many of whom were young, single-digit or teenaged fans at the time of the series release. This celebratory book includes all 104 of the paintings Joe produced for the original release, as well as the 20 additional paintings created for the four-issue comic collection published the following year. MARVEL DAREDEVIL ENEMY OF MY ENEMY HC NOVEL (C: 0-1-2)

(W) Alex Segura

When reports come in that the Kingpin and a police officer have been killed and that Frank Castle (aka the Punisher) has turned himself in for it, Matt Murdock senses holes in the narratives the

media and the streets are quick to run with. Both criminals have been Matt's nemeses when he dons the cowl of the Daredevil, and there's no denying that New York is better off without its Kingpin and with the Punisher behind bars. And yet... while the Punisher is a murderous vigilante, he doesn't kill cops. And he doesn't turn himself in. Castle certainly deserves prison for all of the other crimes he has committed in the past. However, Matt's indomitable sense of justice insists that nobody should be locked away for crimes they didn't actually commit. Representing the vigilante in court, Matt enters a contest of wills and guile with Castle to try and uncover the game beneath the game. And when Matt's girlfriend takes the stand and complicates matters, there's truly no rest for the wicked or the just. As the Kingpin's absence causes passion and ambitions to run hot in Hell's Kitchen, Matt must decide if justice means the letter of the law, what's best for the citizen on the streets, or where his heart leading him. was inevitable. Our ravenous hunger for resources eventually stripped the Earth dry. Fortunately, our ambitious technology reached the point where we could turn our sights to the stars, which were full of materials to exploit. A New Frontier for a new gold rush. Three souls eke out a living in outer space: a scientist, a battle-scarred mercenary, and an asteroid miner who has never been to Earth. When their paths cross, life takes them in a direction they couldn't have imagined. (STL321416)

O/A CARBON & SILICON GN (MR)

(W/A/CA) Mathieu Bablet

Two androids crisscross the planet for centuries in search of themselves and each other while civilization crumbles around them.

Born in a laboratory in Silicon Valley, two androids named Carbon and Silicon will witness the evolution of humanity. From this dawn of true artificial intelligence, the pinnacle of human achievement, they will directly witness ecological, economic, and cultural crises that alter civilization as we know it. Through their eyes, we rediscover our planet as it reaches the point of no return.

The latest project by celebrated author Mathieu Bablet, this ambitious work addresses themes separating artificial intelligence from humanity. A fable about the ravages of capitalism and the

illusion of transhumanism. A cautionary tale spanning 300 years of frighteningly plausible future scenarios. (STL319072)

A few hundred years in the future, humans live in a space station far from Earth governed by a cultured multinational corporation. On the surface, everyone seems to be satisfied with this "perfect society" and they are set on pushing their own limitations to become equal to gods. They are near to setting up a program aimed at creating life from scratch on Shangri-La, one of the most hospitable regions of Titan, where they intend to rewrite "Genesis" in their own way. But as tends to happen, mankind's hubris gets in the way... (STL319071)

O/A ALFRED HITCHCOCK MASTER OF SUSPENSE HC

(W) Noel Simsolo (A) Dominique He

In 1960, the film *Psycho* traumatized viewers around the world. Never before had the angst or the suspense been so well presented in cinema. But where does the talent of this Alfred Hitchcock come

from, the one now nicknamed the "Master of Suspense"? To find out, we must first go back to his youth, in England, during the first half of the 20th century. Having grown up in a Catholic family—a religious originality that will be felt in a large part of his cinema—"Hitch" is an atypical Englishman who, very early on, has a taste for telling stories. The temptation to work for the cinema will not be long in coming, first as a graphic designer at Islington Studios in London where his visual talent will lead him to make his debut behind the camera, as an assistant and then as a full director. It is also here that he will meet Alma Reville, his assistant and wife who will accompany him throughout his storied career, including the jump to the big time in Hollywood. Discover the life of undoubtedly one of the greatest filmmakers of all time. (STL217511)

When Audrey Hepburn is mentioned, one thinks of her being beautiful and elegant, of her films, or of how her image is used to recall something immortal and fashionable.

But Audrey was also a little girl who saw the Second World War with her own eyes, a woman who was at times fragile at work and in her private life, with a strong desire for motherhood and, above all, a boundless love for children that would lead her to find her true vocation, far from dancing or acting: she will in fact become a UNICEF ambassador to raise awareness in the world and help minors in difficulty. The combination of their op-posing talents, one artistic, the other managerial, will give birth to an entertainment giant despite the difficult nature of Walt. Little by little, Walt will push his brother into the shadows and sink into chronic depression and excessive consumption of alcohol... but all this will not prevent him from producing the greatest masterpieces of animation. The authors have chosen a cartoon style, worthy of Mickey Mouse comics, to tell a very serious story of creation, money and politics, and of family. (STL169185)

O/A ERASED AN ACTOR OF COLORS JOURNEY HC GN

(W) Loo Hui Phang (A) Hugues Micol

Maximus Ohanze Wildhorse, renamed "Maximus Wyld" by Hollywood, was a talented, prized, admired comedian. Of mixed race black, Chinese, and Amerindian descent, he was "the actor with a thousand faces," essentially interpreting ethnic roles: Indian chief, Mexican revolutionary, oriental dandy. His filmography is an anthology of cinema: Vertigo, The Maltese Falcon, Sunset Boulevard, The Prisoner of the Desert, Rebecca. However, no credits mention his name. On celluloid there is no imprint of his face. Maximus the precursor rests in the graveyard of Hollywood amnesia. What event pushed him into limbo? What occult and superior force has stored his career in a cinematic Bermuda Triangle? A veritable reinterpretation of the myth of American cinema through the prism of minorities, Erased reveals the political and social dimension of Hollywood productions. (STL320629)

With the most prestigious comics awards named after him, Will Eisner is forever celebrated not only in what he created but his unerring belief in comics' capacity to be better, to reach higher, to be a full art form in its own right. SIXTH GUN BATTLE FOR THE SIX #1 CVR A HURTT

(W) Cullen Bunn (A/CA) Brian Hurtt

AFTER 15 YEARS AND A MILLION BULLETS . . . THE SIXTH GUN IS REBORN!

In 1866, out of the ruins of the failed Confederate uprising, a race to claim six objects of unfathomable occult power began, thrusting the fate of humanity into the hands of an ordinary young woman and a hard-nosed gunslinger who, together, were our last, best hope to forestall Armageddon.

They prevailed, but at a terrible price.

But that was then. This is now. Three decades later, as the gears of a new millennium begin to grind on the cusp of the 20th century, THE SIXTH GUN is about to be REBORN once more—as it has been countless times across the eons. This time, however, a brigade of familiar fighters lies in wait to meet THE SIXTH GUN's high-limitless power head on . . . alongside a secret cabal that wish to harness its unspeakable power to incept a new century of war, genocide, and suffering.

Only one can survive to claim victory. THE BATTLE FOR THE SIX starts now!

In celebration of 15 years of one of the most beloved smash-hits in the history of creator-owned comics, return to the Eisner Award–nominated world of THE SIXTH GUN as co-creators Cullen Bunn (Harrow County) and Brian Hurtt (The Midnite Show) reunite for an all-new, self-contained entry point into the acclaimed saga that fantasy icon Michael Moorcock calls “an epic in its own right”—as told across three extra-sized, ad-free issues in a deluxe prestige format! (W) Kris Bertin (A/CA) Alexander Forbes

Return to Hobtown, the charming rural village in Nova Scotia at the heart of surreal and haunting mysteries, and home to the after-school Teen Detective Club dedicated to solving them. The third must-read volume of the page-turning series that The New York Times calls "forceful and haunting" starts here for the first time ever in a fully colored edition from creators Kris Bertin and Alexander Forbes!

The lines between conspiracy and reality tangle during election season in Hobtown as a new-old member of the Teen Detective Club surfaces to challenge Dana's leadership and redirect the group's attention back to the discounted but pressing concern that "ALIENS!" are among us. On a grander scale, amid the town's hotly contested mayoral race, the arrival of a flying saucer and a chaotic "Ape Lord" being pursued by the local Knitting Circle have the teen sleuths of Hobtown unsure if they're

coming or going, as literal backward thinking tears at the threads of their friendships and their grasp on their latest case . . . (STL374822) (C: 0-1-2)

(W/A/CA) Ravi Teixeira

Lamont's father was not a good man. And now Lamont's father is dead.

When Lamont arrives in the tiny Appalachian town of Heaven, West Virginia, its lush landscape feels stubbornly at odds with the roiling anxiety that's come to define his inner life. Living there and learning the art of foraging and tea-making from his kind, stoic aunt LaToya should be idyllic—even a paradise. But in the shadows of Heaven's woods, Lamont sees a dark, hulking figure, long, glimmering teeth, and piercing red eyes. No one else seems to see this beast . . . not his aunt, and not the handsome cowboy, Coyote, whose gentle voice evokes the comforting, electric aroma of LaToya's brews. Escaping its voraciously hungry pursuit feels impossible, and Lamont will have to face more than the darkness of the woods to do so.

A singular and seductive meditation on the complexity of grief, healing, and the power of the natural world by cartoonist Ravi Teixeira (A Quick & Easy Guide to Coming Out). (STL374825) (C: 0-1-2)

From two of the hottest creators in the American manga scene—writer Josh Tierney (World Piece, Iris Complex) and artist JeyOdin (Rick and Morty: The Manga Vol. 1: Get in the Robot, Morty!; Hammer)—comes a story of teen love, school pride, and extracurricular international warfare in Rick and Morty: The Manga Vol 2: After-School Science Club!

Morty falls in love at first sight with the new exchange student from Japan—Chigusa—and when she shows him her favorite manga about after-school clubs, he knows just the advisor for his hastily constructed new Science Club: Rick Sanchez. With his ragtag group of teen losers (plus Chigusa) and a cursory knowledge of Japanese school clubs he picked up from skimming Morty's manga, Rick leads the club in a competition against the preexisting, sanctioned, totally normal Science Club, creating a portal to Akihabara, nexus of anime and manga culture, and famous home of Tokyo's maid cafés. Brimming with inspiration from their trip (and chased out of the country by the maids who have turned on Rick) the Science Club prepares for their school festival with a maid café of their own making—a science maid café selling questionable concoctions . . . When Finn and Jake save the newly installed Computer Princess from the clutches of the evil Ice King—he just wants a bride, OK, is that too much to ask?!—the two escort her back to the Computer Kingdom, where she gives the Best of Buds a new quest: find the powerful guide for heroes, the Enchiridion, and bring it back to her so she can scan it for her digital archive! But where are they going to find it? And how?!

From songwriting with lovesick poets to attending art shows with megalomaniacs to dance battles with the Cat Queen in the funky reaches of outer space, Finn and Jake find themselves on a truly mathematical (and dare we say . . . radical?!) journey on their quest to complete CP's request—but surely nothing can stop the Best of Buds! That is to say, surely their friendship is totally, completely, definitely not about to be put to the test! Right?

Written and drawn by Annie-nominated designer for TV and feature animation Nick Winn (Bloody Mary), highlighting a host of talented artists and featuring backup stories by Adventure Time alum Derek Ballard (Cartoonshow), this new Adventure Time series is one you won't want to miss!

In 1977, a group called The Spiritual Association of Peers decamps to the woods of the Catskills, taking over an abandoned summer camp. They name their new home Simplicity. In 2081, scholar Lucius Pasternak, a fastidiously organized trans man, tries to keep his head down living in the New

York City Administrative and Security Territory, which was founded after the formal dissolution of the United States in 2041. Then, he's offered a job by the mayor, billionaire real estate developer Dennis Van Wervel, to complete an anthropological survey of the people of Simplicity for a history museum he's financing. A wary Lucius is nevertheless drawn in by the people of the small wooded community, intrigued by its strange rituals and in particular by the charming acolyte Amity Crown-Shy. Synopsis: Lev Gleason - DAREDEVIL COMICS VOL 2 -

Daredevil Comics #2 - #13 August 1941 - October 1942

Daredevil is a fictional superhero created by Jack Binder. In the character's first appearance, his origin was said to have been told to the artist of the story by someone named "Captain Cook..." The story was that, as a child, Bart Hill was witness to his parents' brutal murder. The murderer also branded Bart with a hot iron, leaving a boomerang-shaped scar on the left side of his chest. This traumatic experience left the boy mute. He trained his entire life in the art of the boomerang, eventually becoming a master boomerang marksman. He then donned a costume

and took to the streets as the vigilante crime-fighter known as Daredevil. However... It appears Captain Cook lied, for Bart Hill/Daredevil's second appearance showed him able to speak and it was later revealed that his parents were killed while in Australia, with Bart then raised by a tribe of aborigines who taught him the art of using boomerangs. As an adult, he returned to the U.S. and fought crime as Daredevil. Lev Gleason launched Daredevil's own comic with Daredevil Battles Hitler #1 (July 1941), in which Daredevil and other Silver Streak heroes fought the German chancellor. It was written and partially drawn by Charles Biro, who in his 16-year run would make the character one of the most acclaimed of the Golden Age. (STL371492) (C: 0-1-1)

THESE FISTS BREAK BRICKS KUNG FU MOVIES REVISED EXPANDED (C:

(W) Chris Poggiali, Grady Hendrix

When a Hollywood studio released Five Fingers of Death to thrill-seeking Times Square moviegoers in 1973, only a handful of Black and Asian audience members knew the difference between an Iron Fist and an Eagle's Claw. That changed overnight as Five Fingers kicked off a kung fu craze that would earn millions at the box office, send TV ratings soaring, influence the birth of hip hop, reshape the style of action we see in movies today, and introduce America to some of the biggest Asian stars to ever hit motion picture screens. These Fists Break Bricks offers a lavishly illustrated exploration of how these high-kicking, brick-breaking movies came to America and raised hell until greed, infomercials, and racist fearmongering shut them down. For the first time, the full—and wild—story is told, including how CIA agents secretly funded karate movies and how The New York Times fabricated a fear campaign about Black "karate gangs," as well as the history of Black martial arts in America and the onslaught of Bruce Lee imitators after his death. It has been thirteen years since the mysterious fire at the Severin family manor that killed Camille's mother and twin sister, and the last thing Camille wants to do is return to her old home deep in the swamps of Louisiana. But she doesn't have a choice. Deeply ingrained family tradition and Matriarch Athalie—Camille's coldhearted aunt and head of the Severin household—demand it. When the time comes for Camille to perform the demon-summoning blood ritual that every prospective matriarch in her family must complete, she is afraid of making a mistake. Camille has practiced and practiced, but instead of the beat of demonic wings or the snap of talons, her blood calls forth evergreen vines and leaves. Terrified, she flees into the swamp. But her failed ritual gives her something precious: time away from Aunt Athalie. Time to spend with her beloved familiar Toben and kindly cousin Silvia. And—unbeknownst to her—time to fall in love, discover the truth of her magic, reunite with long lost family, work through her grief, and solve the mystery of who killed her mother and sister. ARTPLA EVANGELION MASS PRODUCTION MACHINE FIG (C: 1-1-

From Kaiyodo. The beautiful but eerie mass-produced Evangelion seen in Neon Genesis Evangelion: The End of Evangelion is now a member of the Artpla Sculpture Works model-kit lineup from Kaiyodo! It has a slender yet muscular body, a slimy head, and immense wings (47cm wide!) that are molded in one piece! The simple parts configuration means it's fast and easy to assemble, and it's molded in pearl-gray material, so it'll look like a sculpture if you choose to display it without painting it. It would, of course, look spectacular with paint! The original resin this item is based on was created in 1997; all parts were 3D scanned and converted into digital data to create this kit. The shape of the wing parts has also been fine-tuned from the original prototype. The rubble that forms its base has been increased in size to more sturdily support the top-heavy shape, with further details added. (STL361059) (4673/AP044) (C: 1-1-2)

ANARCHY BOARD GAME (C: 1-1-2)

At the end of 1135, Henry I, king of England died unexpectedly leaving no male heir to reign in his stead. Henry's daughter, the Empress Matilda, believed she should rule by succession. However, the late king's favorite nephew, Stephen de Blois, was quicker to the throne, and with the help of his brother, the Bishop of Winchester, was crowned king. Those loyal to the empress were enraged by Stephen's coronation and would not accept him as their new ruler. Over the next 18 years, England saw a breakdown in law and order as civil war spread throughout the country. This conflict came to be known as The Anarchy... In The Anarchy, players take on the role of English nobles loyal to King Stephen. Over five rounds, players must build their domain, defend their castle from attacks by the approaching Angevin armies, and storm strongholds loyal to Matilda with their own crafted siege weapons. SKARA BRAE BOARD GAME (C: 1-1-2)

Around five thousand years ago, a resilient group of farmers and hunters built a thriving community on the Orkney Islands of northern Scotland. Later generations dug into these midden piles to create a series of rooms and tunnels to shelter from the harsh winds and cold winter months. The aim of Skara Brae is to gather various Resources in order to feed, clothe, and shelter the growing number of Settlers. Players take turns drafting Village Cards and using their Workers to Furnish, Cook, Craft, Clean, and Trade.
